Re: Can you teach me to Strut Like a Nephilim Rich Kid?

Oh ok so Nephilim term is now acceptable to use? Bc it wasn't so much 10 years ago.

I think it's a big open secret.

One of them revealed himself to me subtly, in 2015.

I just used it in the thread cos they kept winding me up with their tedious "dominant-frame" pantomime...

Interesting. Do you remember a poster here 13-14 years ago by the name of Wingedlion?

Seriously.

None of you are doing yourselves any favours with that smirky- smirky cooler-than-thou act.

The more you smirk, the less you are...

Quit embarrassing yourselves.

Sometimes Im cranky and don't feel like chuckling.

But yeah, I should've chuckled. Chuckling helps you surf through life.

Gotta drink more water. Sunday morning dehydration blues. Dunno why. I had an excellent day yesterday.

Just be grateful I stopped using this one:

Re: Can you teach me to Strut Like a Nephilim Rich Kid?

I remember when i was 15, and I thought me and my friends were likeomg the coolest people on the planet.

I guess, even though they are 30 or 40, they are spiritually 15.

Perhaps we are also spiritually 15 in other respects.

We have much to teach each other.

But!

If you don't have respect, calm and sincerity in an association, you move on to the next person.

I'm f**ked if I'm beating humility into each and every one of them. That is a tedious, thankless task. Much more powerful to turn away, and deal with the 30% of decent people in this planet.

It's like they all have Daddy Issues, and want Daddy to gently slap some sense into them.

Im sure not going to play that role.

I have a guitar to play, nature to see, people to meet.

They can learn from The Void.

Re: Can you teach me to Strut Like a Nephilim Rich Kid?

I formally declare I am bored of the long queue of Neph rich-kids lining up to have a piece of me.

Sad bastards.

You want to heal?

Come and pay me, cash-on-the-barrelhead, for a project, or music lessons, or do something USEFUL, to help fix the damn mess you made.

David's clan should be ashamed of bringing up such a two-faced, needy brat.

I sincerely wish him healing and success in music, but NOT on my free time.

Ungrateful, arrogant houseguests.

Lose. The. Sneers. And. Swagger.

Quickly.

That is all.

Doozle.
