The Lord helps those who help themselves.

Do you need help flailing and whining?

Do not curse Him- Dude will f' you up

Quoting: **Anonymous Coward 84295381**

For real.

If you're putting your blame on him, read your bible and learn why things aren't going your way... Or maybe "our" way as "His people."

Take a look around...

I'd be punishing my kids too if they let this kind of evil in all shapes and forms to run rampant without fighting back or speaking out.

Re: I cursed God today.. dude has me flailing around without purpose.. he gives others so much.. and I'm just left with scraps

Please read the Old Testament book of Job.

Job had family, wealth & health.

The "accuser" was allowed by God to take most every thing away from Job- except his life.

God returned MORE TO HIM than was taken from him.

I believe in the LIFE TO COME we will be given back

MORE than the "accuser" has taken from us !

I pray that Jehovah God BLESSES YOU.

Re: I cursed God today.. dude has me flailing around without purpose.. he gives others so much.. and I'm just left with scraps

Nothing will probably happen. Someone you clearly do not know would surely pay no mind to one who speaks riddles and circles of his own desires.

Also, rejoice. Perhaps it was you who left others without scraps and instead of Hellfire, you get reasonable, rational retribution. Justice, I believe. Again who knows. Just a possibility.

It's harder to get into heaven when you have more to tie you down here! Eternity, not earthly status or possessions, is the goal. www.kleckfiles.com

I never understand him

Ask and ye shall receive.

You will find that your flailing around without purpose is totally on you. Others find their own way but you want to be shown that which is only yours to find. Quit fighting yourself and maybe you'll see that what you're doing to yourself isn't working for you.

99.9% of the time we're responsible for what happens in our life.

Buckle down and either get out of your situation, or work to make it better.

If you have your health, you have what many people don't have and would give away all of their wealth to get.

I wanna get a House in the Hollywood Hills

So I can just invite people back to my place for parties

Basically I want raw sexual energy and excitement from people

Quoting: **Massimo 78409285**

Dude, who doesn't want that, at least sometimes?

But the left hand path has been neutered and cut off.

It's fix the mess, or get squeezed by the box.

That, with respect, is why you keep crashing against the magic mirror.

"God"/Earth/Gaia, whoever... is asking people to fix the mess, and many of you are attempting to shirk your duty. So you get squeeze.

You will have to pay your energetic debts voluntarily, or have them squeezed out of you.

At least you're honest.

Most humans have lived like this for aeons. It's just harder for you guys, cos you rigged the system for so long.

You got to play Super Mario on infinite lives... and suddenly its taken away. And you're up against people who learned to fight in the gutter.

Anyway... I definitely wish you well. You are far more honest than most of them.
