373 is the plain clothes mod who keeps deleting the Anom threads

He's absolutely obsessed with being "The Only One"

Admitted "incidentally, my boss is Dutch" in June 2021.

Whenever you don't put up with his lies and bullying, the thread gets trashed.

Am I wrong?

Let him deny this under penalty of perjury.

He never will.

Might angrily deny it, but not under oath.

Whats an anom? Is that like a yute?

Gold is the money of kings. Silver is the money of gentlemen. Barter is the money of peasants. Debt is the money of slaves

It's nasty, what he does. truly nasty.

Deletes microfinance threads too.

Trashes the work of dozens of people whenever he sees something is a threat.

Goes after people he sees as competition. Started arguing with the Alkahest yesterday.

We're trying to get GLP on its feet, and he's stopping us.

He knows microfinance is big in the future, and stomps on those threads.

Argue with him, and its instant thread deletion.

He's got cleverer. He'll leave a thread up for a few hours before deleting it. But he

won't stop.
He truly sees this as a competition, not collaboration.

Its pretty much the other way. But I don't swing that way.
He's in trouble now, though.
He's vandalised a lot of work from a lot of people...

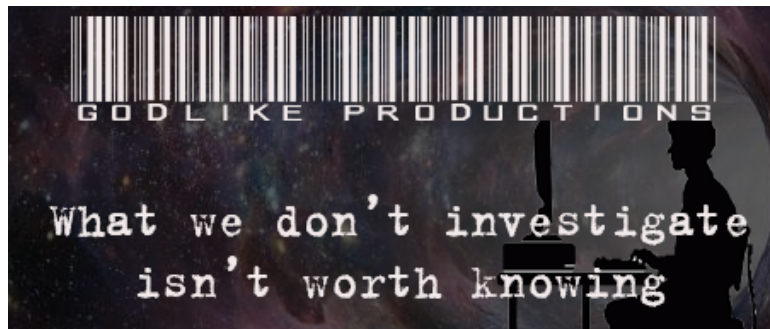

selfish motherfucker.
