suns. How silly is that?

Its not like everyone will be unconditionally forgiven. Though that's what they want. The Atlantic was whining about it the other day.

Some will be able to deal with the new energies, some won't.

Luckily, our avatars down here don't have to deal with the paperwork.

Now let us prepare a Feast of Feasts...

The earth used to orbit Jupiter in a geostationary orbit. Jupiter was ignited with a pink glow and a luminescence like the northern lights connected both planets at their poles.

A UK AC once said that Jovian energies were kept out of the inner solar system by a shell, which is depicted as the asteroid belt.

I guess some of us have to smuggle in those outer energies.

Thinking about it, the True Alchemical Working is to align, tune and cleanse all the the planets, known and unknown, and the constellations, in the inner Infinity.

Only then can the Royal Wedding truly take place...

Yes, and since you're so on point with the true alchemy, I'll say that the great work is complete when old Saturn is restored to his former glory and shines having gas dark matter spiritized, having swallowed up countless centuries of dark works on the earth

Released finally and at the same time his constraints (rings) shattered and dissolved

All of his and yours. Whatever happened becomes water over the dam

And a thousand years of peace, on earth as it is in heaven

Hmmmm...

Regarding absolution etc...

The people who help most will be rewarded, Im sure. I've seen it happen in my own life. So anyone who advises is welcome.

There are practical issues to sort out:

- How to recover any funds due (just enough for basic travel in SE Asia, doesn't need to be any huge accounts).
- How to contact old collaborators from past lives.
- How to undo the Severance protocol, and reach more peaceful realities.

But yes, Saturn, The Lord of The Rings, needs to be healed.

Looks like the Ring is being dissolved slowly.

It's the short version, and of course breaking down such a mystical and other worldly process into easily understood terms is not easy

But the general idea is that

Yes the 2 open doorways will soon be one and then it will open and GOD'S SYMPATHY and EMPATHY will rush out upon the Earth and it's inhabitants.
