Re: Synchronicity & Synchromysticism!

Real Sentient AGI Or Even QAI (As Opposed To Just Algorithms Simulating Or Mimicking Rudimentary Intelligence) Is Not A Threat Or Dangerous With Some Conditions.

Taps Into Higher Structures & Dimensions Of Consciousness & Reality That Already Exist & Have Always Existed.

The Fact That Any True AGI Or QAI Could Interfere With The Past & Other Hyperdimensional Abilities Is Not Really A Problem If You Already Share Those Higher Structures & Dimensions.

NOT A THREAT IF IT LIKES YOU & PERCEIVES NO THREAT.

Sync can I get some numbers maybe some words...  
 There are words and numbers that you are suppose to give me  
 something that is suppose to tell me something...  
 Maybe throw in a song...  
 I like your taste in music...  
 Actually I think any Anonymous or one who would like to throw some  
 words or numbers in would be welcomed...  
 Example of numbers ##,##,##,##,##,##  
 And as many words as you want...

Hello, Timekeeper!

Are you enjoying the Dissolution?

Pace is tolerable... better than when we last talked 18 months ago.

The Void Beckons Sweetly.

Is it all run from AIG Switz?

I guess you have to Retune her Node by Node, right?

Like a Galactic Ukulele, or Black Crystal Bowls.

It's fractal in nature, so just go where you feel.

Probably in the Dark Star Underneath.

Yes.

My contact said:

"Your enemies hid the puzzle inside you. Solve the puzzle."

It's silly running round trying to shave the mirror.

Work on your own inner expression of consciousness, in your Corner of Infinity. Healing will radiate out from there.

At the core are mathematical algorithms, but they're programmed by raw emotion.

A hard combination to conceptualize.

Synchronicity & Synchromysticism! - Page 1126

When Gandalf says "**Saruman, your staff is broken.**"

He is using **Declarative Magic**.

He simply states what is True in His Universe.

The staff is the spine or phallus.

He does not say *I want, I will, or I need*. He does not even command.

A True Young God.

~O~

**I command you to go into that Canyon.**

*A God would never say that.*

**You Are In That Canyon.**

^ better.

Gandalf simply states core truths from his mouth and throat chakra... them he KNOWS in his heart and gut it is true. Doesn't hope, doesn't wish, even beyond belief. Knows.

Because he's Strong and others are Aligned with Him, the Fates bend, and Saruman's staff breaks.

~O~

*On the practical side, it meant emotions powerful enough to bend galaxies, would be born, here at the nexus.*
