Putin's army will kill so many soldiers in Ukraine that the U.N. will be forced to admit that Nazis have nearly become extinct in Eastern Europe.

Re: Alright, what's about to go down?

See the paths they take?

You can't always divert them to paths with better outcomes for all.

Maybe it is better to lose the portion of them who were always dragging us down?

How long can you hold the head of a brother or sister above the water when they hands keep trying to drown you?

We leave bright paths and future for those who want them...and of their own free-will everyone separates to where they think they should be.

To save people you have to change what they think and believe.

It is like a puzzle box where to unlock the next door you have to change what you are able to believe.

The whole time there is a force actively trying to take them to the worst places.

Eventually you are forced to choose to stop helping some people to make sure you can help the ones who really deserve it.

Quoting: **Anonymous Coward 76094798**

I definitely think we are up against Bible verses like "Let the Dead bury the Dead" and "cast not pearls before liars" etc.

It's not like they're neutral, either. They are literally trying to get the rest of us to dream a bad timeline, and self-murder.

So it's fine to cut them off, just like you wouldn't try and reason with a zombie clambering into your boat. Nor would you run into a vaccine clinic to take 100 shots in the arm for your brothers. Nor would you donate your heart to someone who had pigged out on MacDonalds his whole life.

That's not mercy, it's outright stupid. lol.

The good news is, that they don't represent the world as a whole, nor Americans in general. Forums give a skewed perspective.

But I agree, they need to be cut away, as it's outright dangerous to wait for **murderous stragglers**.

Maybe they can go heal in another corner of Infinity. Just not with me, in this avatar, as it's a huge burden, carrying ungrateful killers.

~O~

What do you see happening as the Great Separation takes place?

I see it as:

- Taking a timeline on the right, and the worse timelines splitting off to the left.
- Moving the cube to better areas of spacetime.
- The left side of the Hive being forcibly cut away.
- Parasites on the left side of my soul being burnt off.
- The cube getting smaller, and no longer accommodating them.
- A fire burning those who won't stop trying to kill everyone.

Now, these are only manners of speaking about something which is near-impossible to understand... but they provide a mental model that I can grasp.

Daozen appears to be mentally impaired, but harmless.

Tactical nukes will be used

More school shootings

Regional blackouts which will get worse all year

Stock market will collapse

Rationing for food and gas

WWIII will kick off by next fall

I want 2019 back. So depressing to realize we are about to witness a catastrophic collapse of civilization.

Quoting: **Anonymous Coward 46799285**

It is almost like, this can't be happening...

Wish it wasn't. It is like a horror, twisted freak show but it is real. Am grateful Jesus Christ has already overcome evil for oursakes...

Matthew 24:8 All these are the beginning of sorrows.

24:9 **Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my name's sake.**

24:10 **And then shall many be offended, and shall betray one another, and shall hate one another.**

Hated of all nations for Jesus's name sake. People standing up for what is right will be blamed for everything.

And then when they are getting rid of us then they will turn on each other knowing what they did to innocent people causing also a lack of trust of each other.

24:11 And many false prophets shall rise, and shall deceive many.
 24:12 And because iniquity shall abound, the love of many shall wax cold.
 24:13 **But he that shall endure unto the end, the same shall be saved.**

Looking to God, he will never leave you nor forsake you.

24:14 And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.
 24:15 When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)
 24:16 Then let them which be in Judaea flee into the mountains:
 24:17 Let him which is on the housetop not come down to take any thing out of his house:
 24:18 Neither let him which is in the field return back to take his clothes.
 24:19 And woe unto them that are with child, and to them that give suck in those days!
 24:20 But pray ye that your flight be not in the winter, neither on the sabbath day:
 24:21 **For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.**

Shocking that this is soon actually going to be reality.

24:22 And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

John 8:49 Jesus answered, I have not a devil; but I honour my Father, and ye do dishonour me.

8:50 And I seek not mine own glory: there is one that seeketh and judgeth.

8:51 Verily, verily, I say unto you, If a man keep my saying, he shall never see death.

Alright, what's about to go down? - Page 5

3 things that will make a huge impact in 2023!

1) a new drug called(spelling may be off) O'Rion----?----O'regano----?----O'reno----?
Something like that will be a widely sought after Drug. It will cause memory
lapse/loss....diminsia, early Alzheimer's.
SO DO NOT TAKE IT!
It's a green, or olive color pull.

2) Grocery Stores all across America will be vandalized/burned. As prices sore, Stores
will be targeted & blamed for their ridiculous inflation prices. This will include robberies
as well.

3)There will be an airplane crash carrying a famous rock band. They will all perish.
You will be told it was pilot error, but don't be fooled. They were assassinated. I have
no idea why, though.

These were the memories I saw, that shook me.

I have many more, but these were the big 3.

God Bless you all & sorry these were all bad news.

I think more retail will mimic the Costco operation - you need an id card to get in and
you have your receipt and items checked when you leave.
