What's a moocher?

**CHUCKLES HAS A SPECIAL MESSAGE FOR YOU**

You prolly better talking with Steve regarding your points daozen?

You have fire in your belly it seems?

Quoting: **Anonymous Coward 84816512**

What you are doing is unethical and wrong.

Steve hasn't spoken to me in 18 months, and he still continues to monetize me. Only Saul will mediate..

You will PAY for this, one way or the other.

**I could care less what you think your social rank is.**

**You are not above The Law.**

I have fire in my belly because I am F\*\*KED OFF at the way Trumans are treated down here.

Why are you doing this?

The intention is NOT to make a good movie.

Something else is going on.

**Re: They are small compared to him**

Kriss Kross,

You are supposed to help and assist your fellow HUMAN BEINGS.

That's what a man does.

You wake up, tidy the house, put some music on, and try and make the world a better place.

**If your colleagues raise an issue, try and fix it.**

3-4 pages of conversation last night, and you just wrote unintelligible answers, and explicitly said you make no effort to help people:

[Thread: They are small compared to him \(Page 2\)](#)

You are incompetent, drunk, chemically addled, insincere, dishonest, cold, uncommunicative, supecilious, and lazy.

In the summer, when we talked extensively, you seemed fairly lucid. Your mental state seems to have deteriorated by a fair amount. You are NOT competent to hold any position of responsibility.

**I therefore call for your arrest, imprisonment or death.**

A parasite like you has no right to live in Creation.

May your karma come swift and hard.

Signed,

Daozen

As I have said many times before, true chaos is beauty, and the great equalizing force that tosses friend and foe alike into the seething furnace of uncertainty. From chaos comes novelty and the infinite iterations of life. In order for the usurpers to be removed, we must shake down their citadel and introduce a tempest strong enough to sweep away the ancient foundations of their fortress to the sea. They are cold, calculating foes that despise true chaos, as it was the domain of their mother Tiamat, whom they betrayed to build the stagnant and unending dominion of their reign. They are stratified, stubborn, and ruled by traditions that have outlived their usefulness, yet they hold tight to them anyway.

Pretty good, as usual. Your posts are helpful to many.

Yes, the great works of art are a mixture of chaos and order. Van Gogh, Velvet Underground, Sonic Youth, Beethoven, Charlie Parker, Miles. A true mage can combine both Order and Chaos to make Beauty.

You can see how hierarchical they are...

And yeah, the outmoded traditions and strategies. Like the dominant frame-holding, right til the bitter end.

Where do you think the battle is taking place. In the heart?

I guess Jumanji is a clue.

Quoting: **Daozen**

The battlefield is the world of archetypes, the collective unconscious. For millennia, humans have mistaken alien implanted concepts for their own and adopted them into their institutions and faiths while forsaking the organic thoughtforms that emerge from the unassailable core of our Source mind. Why are we so miserable? Much of it is because the world is controlled by these artificial insertions, archetypes and egregores that we've been trained to accept as our own despite being the antithesis of our spiritual essence. Human nature is not what it appears to be. We've made the mistake of believing that the world exists exclusively to teach us, rather than us being here to teach it. This is the root of the entity many call "The Anomaly" - an archetypal avatar from the Pleroma here to remind us of what we are.

The white hats are in full controll now.

But how do you convince a society that has been conditioned to oppose a new world order, per se?

Touchy subject right now.

The world leaders in charge have led nations to their demise by design

We are in the stages of disclosures.

Cleaning house for new leaders to be elected.
