How can you win against the rain?

Show's how desperate you are... leaving anonymous messages and crossing your fingers they go through.

Re: The Gangstalkers left him a message

It don't matter if he change routine

"They" will always find him... they will be waiting for him tomorrow to see his face when he finds 'the information'

He then knows who his enemies/friends are

Quoting: **Routine walker 80325929**

I'm sorry but I don't know this information. Most of what I read is nonsense. the only thing that is logical here is the deceive of the Elect. unfortunately if I describe it in a different order then unfortunately I can't say much but it will be a parody.

What did you win?

Why would his enemies/friends be the same people?

Why don't you just tell him whoever he is rather than hope he finds your "information".

Good luck with trolling them whoever they are.

You wasting your time and life highlighting things at someones location and posting it online means that other person won, not you.

What I don't understand is if gangstalking produces such horrific results - like extreme violence, incarceration, traffic accidents, suicide etc. why do they keep gangstalking people? Do they

expect some different outcome everytime they use the same tactics?

because its the truman show, and the show must go on! at all costs, not harassing and setting up scenarios for truman wouldnt be as entertaining.

lets just say the "audience" has a pretty twisted sense of humour. theyve probably watched every show in the universe for millenias, and want something new.
