Dear Nephilim Upper Classes. A Psychological Primer on Human Relations

Lesson One

When you talk to a human being **respectfully and kindly**, you will get MORE of their time and energy.

When you talk to a human being **disrespectfully and unkindly**, you will get LESS of their time and energy.

~O~

It appears some of you are still stumbling on Lesson One.

Never mind!

We will continue your rehabilitation this winter.

Best Wishes,

Dr Doozle, Esq.

Probably.

Who else do you like in that industry?

I don't want to name anyone in case the Greys attack them. Serious. I got warned that if I even thought about a woman, she would get driven into isolation.

A heavy load to carry. Even daydreaming about them gets them into trouble.

Do you know why the Native Americans greeted each other with their hand up? As the Nephilim descendants grew smaller in size, they still hand six fingers, to prove another tribe had no Nephilim they raised their hand as a greeting

Wow... rings true. Cheers.

Actually some Nephilim are fine.

I just like winding them up.

The Sunday night Daan park ones are examples of groups that will be just fine in 5-10 years.

They have a lot to teach. Just need to get their high horses.

PS, not having a go at the Daan Park ones there... I mean the leaders. They are just too hoitty toitty for my tastes.

Psychological Primer on Human Relations

EVEN THE EVIL BEINGS KNOW THEY HAVE NO RIGHTS TO TELL ANYONE ELSE WHAT TO DO.

You are only rightful entitled to tell yourself what to do.

Everything else is a violation or attempted violation of another.

It does appear you are trying to bully another being into doing what you want.

Normally when people turn to such Evil and Darkness they do it privately, so I applaud your obvious devotion to the Dark Lord and Evil itself and your lack of shame shows me you are well down the Path which frees your mind and Soul.

All you need now is a LOT OF POWER.

What can you do already?

Psychic?
 Planewalker?
 Precognition?
 Telekinetic?
 Good Bullshitter?

Anything?

The Nephilim were the children of the Titans, you are dealing with the children of the Olympians.

The Seven Mothers of Darkness answer to Lady **Astoroth** aka Inanna.

The ruling families all trace their bloodlines back to Lord Sin, or his twin children Inanna/Asteroth and Utu/Shemash, or possibly his eldest daughter Ereshkigal.

The same bloodline of the demigods of the Old Testament, who are the same bloodlines that rule this world.

They can shapeshift, so if they want to be, yes.

And I doubt Nommu is on anyone's side right now, the torture they are putting her through right now would be enough to scar any of you and traumatize you for several millennia.

She's the one lost soul they can't afford to allow to fully awaken, as she's capable of bringing everything down single handily, as she's the one that created and designed all of the natural defense systems of this world and then some.

I met one of her avatars (they can incarnate in multiple bodies). Taught her for 2-3 years. Still in touch.

I think she knew who she was. I mentioned Dragon Queens to her, and she reacted fairly strongly.

Yes, she was probably tortured. Can see it in her eyes. But also very strong.

A small clarification:

No one is telling you how to act.

You may talk to humans contemptuously if it pleases you.

Just don't be confused if they never talk to you again, or give you much, much less of their time.
