LARPers: What Vampire Clan Would I get on Best With?

I'm cool. I don't go round asking people if they're vamps... I know that means the end of the friendship, as they are obliged to reveal themselves to you, and then obliged not to talk to you...

I heard the Ventrues were reasonable...

If you watch the show, the Australian Golden Boy was probably amenable to logic and goodwill. He just came too early. And walked away dissapointed, just like most of them.

House Fu Manchu have showed lots of resolve, intelligence and diplomatic determination ...

Anyway...

I would just like to cooperate, as equals, without either of us trying to get the other one under the thumb.

If you watch the Great and Secret Show: Mitch, Jaason, and Robot Boy gave fantastic accounts of themselves.

So whoever they're with...

A few hundred thousand like that, and Creation will Spin in Our Hands.

Patience...

Re: LARPers: What Vampire Clan Would I get on Best With?

If you watch The Great and Secret Show, Tuna and I could have done eye-popping things together, globally, galactically.

Even in two evenings drinking and talking by the river, I could see the timelines spinning off...

We have exactly complementary skillsets. His network, social skills, and political intelligence. My product, music and vision...

But he couldn't get over his grudges.

So he told me to shoot myself. And tried to set me up as a drug dealer.

Oh well.

Clan? Vampires have clans?

Like Native people have clans?

I like Vampires... In theory... I only met one IRL... and not the blood sucking kind... An energy one.

Nothing wrong with drawing a little energy if they give True Value in return.

Older people hang out with younger ones.

They swap wisdom, knowledge, connections, 70s music... in return they get new ideas, idealism, energy, assistance.

It's all good.

Just DON'T go swanning around telling yourselves you are giving us "lessons" and that's all you need to bring to the table.

That is the path to ridicule and annihilation...

Who Watches the Show...?

The New Commie is not doing half as well at undermining me as he thinks he is. He needs to Change, Quickly... He has many good qualities... but the subtle back-stabbing needs to stop.

Else it'll bounce back hard.

Friendly advice issued.

Don't end up in the gutter with the other wannabe handlers.

Bring the best of yourself, leave your ego at the door... and stop trying to Ride me for your Neph buddies...

Offer still open.

Protest LARPERS rushing the Capitol wasn't an insurrection. In a real insurrection, there would be no Capitol building left standing.
