Moderators just deleted the other Anomaly thread because She posted a deep dark truth on it. Sigh. No worries. Soon she will have a megaphone to enlighten people with.

Did you know certain US "bankers" like to adopt children from hospitals.

It's easier to have a child molested to serve in a catamite Jesuit army when the child is not your own flesh and blood. You raise them in wealthy "banking" homes and send them to Jesuit universities. In fact those wealthy "banking" families get special calls from the hospital when a child is available.

That's the only way Queen Lilith survived as long as she did. By creating an army of catamite slaves.

Re: I am not The Anomaly.. I'm Just an Extra Actor

At first I thought being in a Rosicrucian opera was my punishment. At least that is what Charles' henchmen told me. But then I realized being inside the pyramid was exposing me to all their dirty secrets. A plethora of insider knowledge. And like every good opera... it isn't over until the fat lady sings.

Ignoring this fact makes you part of potential revolts against Godfearing True Torah J

May I ask why everyone thinks there's going to be a contest?

That's the deceivers trying to trick everyone into a winner-takes-all contest.

The opposite will happen, for me, anyway.

We'll all go our separate ways...

Those that like each other, will work together. Those that don't will give each other space.

Are you guys allergic to cooperation?

Various factions are maneuvering people to be their 'candidate'.

They did it to me for a few years. Dutchman was my handler, on the ground in Taipei, for three years, til I figured it out.

Massimo seems clever enough to work out he was being used, as well.

Good like building an NWO with no one to front for you, lol.
