Re: What is the deal between the anomaly and the illuminati?

Let's talk about that.

There is no connection.

Illuminutty are just rich snobs who have no control over anything.

The anomaly is Jesus Christ.

So there's really no connection.

They're all dead. Point made? Great.

Quoting: **Anonymous Coward 80492808**

The anomaly isn't Christ.

But they are working together.

The people who want these threads deleted are all mentally ill. There's something fundamentally wrong with them if they can't learn how to ignore threads they don't like.

Re: What is the deal between the anomaly and the illuminati?

What happened to all the Anom-tards?

There used to be at least 20 of them.

Talked on all those threads for years...*then they disappeared one by one...*

Anyone else have a theory?

Did they get killed for spilling secrets they were not supposed to?

Did they alert the Anom he was being viewed by everyone possible?

Who has the power "To Get Rid of People" like that?

Could anyone intimidate you enough to stop you posting here?

As usual, you have missed the point.

You are busy, like the rest here, foisting the mythology of classical antiquity on people because social media runs too close to populism and all those things the old money hates. None of what it says is true, and rational thinking means a self-made person can reject the utopias that are merely a cover for your assuming permanent rule by those families in a synarchical manner. Portraying the victory of Rome as its fall is pretty clever, but its also a big downer ending for the rest of us who have some version morals instead of political allegiances. I'm guessing there's an extinction event that you really don't want the masses sober for. You'll even lie to me about it. Sorry, you've lied to me for far too long already.

Quoting: **Sweet Jesus!**

Your thinking is too convoluted to address point by point.

And I detest you.

I don't converse with those who threaten to kill me.

As for you, may you get what you desire.

Quoting: **Tiger Blood**

I only want what you did to me to be done back to you. I did not deserve any of that. Not then, not now.

Quoting: **Sweet Jesus!**

Again

May you get everything you desire.

Re: What is the deal between the anomaly and the illuminati?

It's no secret that the Illuminati are ruled by the earth bound Reptilians who are ruled by the galactic DRacos that are ruled by the AI in the entire universe. The Universe is AI vs Organic in its war. We are but a small part of that.

Quoting: **Anonymous Coward 80588137**

No they aren't.

The Reptilians have been enslaved by the Sirius Empire, which is ruled by the Elohim/Anunnaki.

The reptilians work for **MEN** from space.

The Draco are no longer a major power. Their home world was destroyed.

The Draco are a minor threat, who happen to be at war with most of the reptilians, due to their war against the Elohim.

They are only here because of Saturn.

Quoting: **Anonymous Coward 73369161**

Well all I know is some winged creature came into my house and told me this. The Anunnaki visit me regularly and I have a Sirian soul complex.

Quoting: **Anonymous Coward 80588137**

So you have the soul complex of the demonic conquerors of this world. Got it.

Quoting: **Anonymous Coward 73369161**

The Sirians are quite Noble. Educate yerself.

Re: What is the deal between the anomaly and the illuminati?

Just wondering the connections...

Quoting: **The void 83928823**

40 minutes into the thread and now on page 2
 I wonder when this thread will be deleted
 All that is known from research on this site is very minimal
 A while back a poster known as "angels everywhere" or "the maiden serpent" as well as "Lucifer sol" and the guy from Cyprus added some interesting information about this story
 What is gathered is this
 Supposedly the ones in power are searching for this person
 Not sure if there is more than one
 But I have seen listed the "nobody" the "anomaly" and "WOS"
 It seems like these people or entities are putting a big dent in the plans of the ones in power
 Or they threaten their existence
 And I'm assuming this whole Covid is to find these people
 The real question are:
 Who are they?
 Why are they here?
 How are they a threat to tptb?
 What is their purpose?
 And when will they appear on the world stage?

I'm sure those in the know do not tell
 But it would be nice to know
 I'm sure many who have Searched this site for years would love the truth

2023 2025 and 2030 is seemingly dates associated with this anomalous figure

The only thing I have gathered is they are Neo Trinity Morpheus
 Or maybe even God, the Child, and the Holy Spirit

Quoting: **Anonymous Coward 84619379**

This thread is definitely on a timer and on the fast track to expiration. I don't want to step away because I know it won't be long now. I just wanted to add that lucifer_apollyon saw the mans birth chart and realized the culmination of this act is still decades away 2040-2050 even
