Re: Is Michael Aquino related to the Bauer Bloodline?

Reason and logic can be demonstrated. Can you demonstrate?

Quoting: **Anonymous Coward 81883978**

Can you swear against this oath, under penalty of perjury?

**You, 373, are an unrepentant child-molester.**  
**You, 373, have frequently deleted threads on godlikeproductions, including an Anomaly thread 30-60 minutes ago.**

**As you are an unwelcome guest in this universe, you fully agree to have your energy removed, and be ejected from this timeline.**

**To consent in full to these terms, simply stay silent, or delete this thread.**

**You agree in full that by getting this thread deleted, you forfeit 99% of your energy.**

**Sworn under Penalty of Perjury, Under Full Commercial Liability,**  
**Daozen**

Quoting: **Daozen**

Who is 373?

You do realise you have committed Libel?

Can you prove your allegations in court?

If not you have committed libel, saying something which is untrue in print about a person which defames them.

Accusations of child molestation are extremely harmful and reparations for false complaints with no shreds of proof always cost the person every cent they ave

and sometimes more.

I don't know who 373 is exactly, but you are out of line to accuse anyone of such things and pretend you know anything about law.

373 doesn't delete anything.

The threads get deleted because of what he says. Everyone must see that by now.

He posts deep words of wisdom and common sense which brings clarity to the situation...and it gets deleted so people don't know the truth.

Commercial Law. No refutation of the accusation is full tacit consent.

All conversations and rebuttals must be sworn under penalty of perjury, and full commercial liability. Else they are legally NULL AND VOID.

IMO, you are 373.

But I don't much mind, because your post is legal silence...

Not quite.

He bowls into a thread lying and bullying.

He gets challenged, so he runs sobbing to the Heeren Loo control panel, and deletes the thread.

If that's not true, just swear against it under penalty of perjury.

You know the rules. You're allowed to lie through your teeth, but not under penalty of perjury.

Anyway, as your refutation is unsworn, it means nothing.

I thought he died a few years ago

Quoting: **Anonymous Coward 57532151**

Unknown. I heard that too. They frequently fake their own death.

Maybe he Skiddadled to a South Island, like many of them went to.

Quoting: **Daozen**

How about he was old, sick and died. Who does that sound?

### Re: Is Michael Aquino related to the Bauer Bloodline?

I think Daozen is working "with them".

Look at the way he runs down 373 and has done for months, Same pattern 373 told us about over 10 years ago when i first met him on another site.

The guy is a f#cking hero in the CT world. If you knew his posting history across all the sites for the last 20 years.

He says this always happens to him....even now as an AC. They start attacking him then dig in hard to discredit him before he gains too much popularity.

Some of us know the real 373 and his worth as a human being and a friend.

Easily the smartest guy on any forum he is at. He would accept that if you said so. Just that kind of guy...and Daozen is accusing him of child abuse...what a piece of shit.

In fact this in repeated online harassment.

You have made foul unsubstantiated accusations against him many times.

I will find them and screen shot them all.

Swear against it.

It will take you 10 seconds.

I asked you to swear under oath about an hour ago, and the thread got deleted quick. We all saw it.

**I 373, swear under penalty of perjury and death, with full commercial liability, that I have never deleted a thread on www.godlikeproductions.com, nor flagged one for deletion.**

Screen shotted.

Past tense.

Being flustered is no excuse for poor grammar.

Now then, please swear against my accusations, before All of Creation.

Only one minute to clear your name.

Better than this tired perjury dance.

All your unsworn posts so far are **Legal Silence** and full consent.

We call the Judges and Armies of Creation to carry out the sentence with vigor and alacrity.

No extradition treaty.

But there was that time you claimed there was going to be a nuclear war, so you could get me to go live on your farm.

Now sign the forms or leave the site.
