They are MUCH smarter than any of us

No matter what they do, they cannot fail. They have so many ways to destroy us, manipulate us, make brothers disown each other, create as much division as possible, imprison us, enslave us...

And we let them do it to us.

Because we're doing it now.

It seems hopeless. They play an odd game of chess for sure, I just think we don't know how to play the game.

The king is still in play...I do things that don't make sense...then the Lord updates me on why I did it... sometimes days later....sometimes months... sometimes years...but one thing is for sure...he is always one step ahead of my opponents...have faith.

You are not alone, OP. There are others. I know what these demons are and what they're doing.

"The sorcerers of ancient Mexico were quite ill at ease with the idea of when [the predator] made its appearance on Earth. They reasoned that man must have been a complete being at one point, with stupendous insights, feats of awareness that are mythological legends nowadays. And then, everything seems to disappear, and we have now a sedated man. What I'm saying is that what we have against us is not a simple predator. It is very smart, and organized. It follows a methodical system to render us useless. Man, the magical being that he is destined to be, is no longer magical. He's an average piece of meat."

"There are no more dreams for man but the dreams of an animal who is being raised to become a piece of meat: trite, conventional, imbecilic."

Re: They are MUCH smarter than any of us

I don't think they are much smarter than us.
 You can see right thru them. I am sure many here saw the plan for many years.
 So no I disagree that they are smarter.

But they do control almost everything powerful enough to make change. That's all.
 It's not smarts. It's control

They are MUCH smarter than any of us
 Stillness is the way out.
 Don't fear, don't covet....
 Be so still, their Empire of lies crumbles.
 Why does everyone think they're so clever?
 Just grind on.
 I've never felt better, meself.

Re: They are MUCH smarter than any of us

They BELIEVE that they are smarter than us, but they do not have our experience in the 3D and without that personal knowledge, they are DEPENDENT on the established "Authorities" who don't live in the same "collective reality" that we live in, and are DEPENDENT on "normal" people to feed them

The Alien technology is seriously lacking any practical application other than to enslave or kill their opposition (MURDER FOR GAIN IS THEIR AGENDA) ... they BELIEVE that AI knows better ... but their AI is programed by people who lack all virtue - so it is not prepared to deal with INDEPENDENT individuals - that can't be bought and aren't predictable

The mind is endless. Infinite, eternal. It can imagine anything at will. These demons know we are blessed. All it takes is the courage from each and every man, and the strength of mind to utilize the mind to craft illusions. In your mind, you can build entire worlds. In your mind, you have the ability to influence reality. Without the need for news/media to espouse your messages for you. You only need your mind. Know what you are doing. God will support you if your cause is righteous.

This is true.

They can make all the boxes they want, but:

- 1) We can think outside them.
- 2) We don't have to take their gifts.
- 3) We don't have to trip their snares, if we can help it.

That's pretty much it. Luckily some of them are trying to stop the train. Many factions in the control room. Verisimilar to the ongoing debates humans have about livestock treatment.

From hardcore vegan, to vegetarian, to occasional meat-eater, to unrepentant factory animal scoffer, to hunter, to only-eats-what-he-raises-by-hand.

The Wave of Kindness which is excoriating the Galaxy now, is affecting their society as much as ours.

If they were that smart, they would need to spend huge money trolling the boards, to try and get us to dream their timeline.

LOL.
