Re: God is actually a Human

Eh shit Nibiru that's like an OLD script but I still Can plat lol

when Nibiru hits the Van Allen Belt, and breaks this magnetic hold, then they can come in....the invasion fleet during that 24 hour period, when the earth and the moon HAVE STOPPED ROTATION.

Remember also, there is AN INNER SUN, inside the hollow earth.... the BLACK SUN, VRIL, that will use this exact moment too, to unleash hell.

The magnetic field also keeps the demons of the lower etheric and astral in check. WHEN that breaks, the literal biblical demons from hell (ghostbusters) will also rise upon the surface of the earth.

All of it because of that 12 planet ..!

Cool script lol

Now When Nibiru fuck the tidally locked Balancing ACT Earth and Moon Kaboom

See The Earth and Moon are tidally locked together.

That's first.

Second. The moon is pitching and yawing on its axis a full 50 plus degrees every 72 hours.

Third. The moon is pitching and yawing in OPPOSITION to the Earth's orbital plane, that the two forces are keeping in balance, this effect.

Fourth. That is going to end very, very soon. When Nibiru Arrive ...!

Fifth. When the Earth's yaw reaches the 90 degree of its radial axis, and heading south with the Moon heading in opposition toward the west, the poles will flip. Not magnetically, but physically.

And we'll all see the southern stars.

For 24 hours. The earth will actually stop spinning. In the NEW northern hemisphere, the sun will stand still for a day. Darkness for 24 hours on the other side.

Like that.

Re: God is actually a Human

I cant say much more but hopefully The
 Anomaly chooses me as one of there
 144,000, when they ascend back to the
 Throne. Hopefully they also choose to stay
 here and change this planet for the better.
 Being able to go forth and create a New
 World would be awesome, but we will need

them here for the aftermath of the passing of The Destroyer. It is said that "he" has said he would bring "GLP"

they used to think when he reaches his hand inside their avatar and grabs hold of sommat and yanks it right out of there, that he was "killing" them... then they became aware no, he is in actual fact smiting their demons... leaving them unbearably living as was intended all along... no blaming demons if they aint in there ;-)
