It's true what they say about the Anomaly

He has a heart of gold and a mind of diamonds.

He will be your best friend if you're kind to him.

He can do incredible things with his gifts and talents.

But he can also be your worst enemy if you try to hurt him or if you're an evil doer.

He has infinite patience for those with love in their hearts, but he doesn't tolerate cretins who push satanic agendas.

He is an agent of God and no one else.

God bless The Anomaly.

2:01

Revelation 2:01-7

The Loveless Church

2 "To the [a]angel of the church of Ephesus write,

'These things says He who holds the seven stars in His right hand, who walks in the midst of the seven golden lampstands: 2 "I know your works, your labor, your patience, and that you cannot [c]bear those who are evil. And you have tested those who say they are apostles and are not, and have found them liars; 3 and you have persevered and have patience, and have labored for My name's sake and have not become weary. 4 Nevertheless I have this against you, that you have left your first love. 5 Remember therefore from where you have fallen; repent and do the first works, or else I will come to you quickly and remove your lampstand from its place—unless you repent. 6 But this you have, that you hate the deeds of the Nicolaitans, which I also hate.

7 "He who has an ear, let him hear what the Spirit says to the churches. To him who overcomes I will give to eat from the tree of life, which is in the midst of the Paradise of God." '

A real 'christ' or 'lord' wouldn't want or need anyone to bow to them and would in fact find it creepy and would purposefully avoid such attention and adoration.

Some stoner rolled me a joint once and told me he was Jesus so I got down and kissed his feet and thanked him for the joint.

Anyone who rolls me a joint is worthy of praise...

Re: It's true what they say about the Anomaly

It's a few people, they do work for God, it's darker than planned, harder than he thought to help certain people so one of them has been very down lately, fully committed to God's Plan still, thing is he can't turn back as he is too deep into it. Won't quit just doesn't see anyway out other than God's Divine assistance
