### Re: God is actually a Human

Interesting perspective OP.

Incumbent command get to be flogged and starved, then character development though Temple of Aphrodite, which is where the women start off before qualifying themselves for the fields through poor attitude or insufficient sexual prowess.

The Chinese will rule you all.

Once you've completed your "waiting period", day for day exactly as long, then you get a more generous diet.

But all except the under 12 pedos get through alive.

What is required of your class is obedience, not your own judgment capacity expressing itself.

Go cry to the Mother Principle. Don't qualify, none, Chinese do. Maybe once you've grown up.

## Re: God is actually a Human

Maybe is related to this Thread?  
I do not know I just found this Old Thread here:

The prophecy is fulfilled, and the name of Messiah is Revealed NOW in Europe

\*Time Is Near\*  
\*Dead Sea Scrolls Unlocked\*  
\*The prophecy is fulfilled this year by September 2021 and the name of Messiah is REVEALED\*

Isaiah The Fall of Damascus  
\*The Name Of The Messiah Is ARON\* born on 07 September 1982, which is the Avatar of ( Messiah, Jesus, Kalki, Shiva, Vishnu, Buddha and so on, for all religions or Aliens ) he will make the first appearance or it will be revealed by few people or by a whole from his bloodline or by his people on 07 September 2021 when he will have 39 years. He was born in Europe. Read everything for details: The date of birth and the name of the Messiah were discovered.  
Aron in J. Gematria equals: = 171  
Biblical Ending in J. Gematria: = 171  
1+7+1 = 9 the month September  
Emissary Of God in J. Gematria: = Alexandru Aron = 822 ... '82 it will be the year when he was born and 2 is the day of Tuesday.  
Alexandru in J. Gematria: = 651  
Great Reincarnation in J. Gematria = 651  
Final Trumpet in J. Gematria = 651

Alexandru is the Romanian Latin variant of the Greek name Alexandros, meaning "Defender of Mankind." The name is most famously associated with Alexander the Great, 4th-century BCE king of Macedonia in Greece, and one of history's most powerful military commanders.

So again His name and surname decoding started with A.  
In the Sefer Yetzirah, the letter aleph is king over breath, formed air in the universe, temperate in the year, and the chest in the soul.  
Aleph is also the first letter of the nope word emet &(), which means truth. In J. mythology, it was the letter aleph that was carved into the head of the golem that ultimately gave it life.  
Aleph also begins the three words that make up God's mystical name in Exodus, \*I Am who I Am\* (in nope, Ehyeh Asher Ehyeh), and aleph is an important part of mystical amulets and formulas.  
In Egyptian, Aron means "warrior" (from Egyptian "" = fight/battle).  
Aron means "exalted" or "of the mountains" (from nope "" = exalted/high mountain).  
The name Aron means Teaching, Singing and is of J. origin. The name means "mountaineer", or "mount of strength".

Those who heed Him are the poor of the flock; they will be saved at the time of visitation. But others will be delivered up to the sword at the coming of the Messiah \*Aron\* ...[Damascus document 19.9-11; similar ideas can be found in 19.33-20.1.]

And they shall not depart from any counsel of the law to walk in all the stubbornness of their heart, but they shall be governed by the first ordinances in which the members of the community began their instruction, until the coming of the prophet and the anointed ones \*Aron\* [Manual of discipline 9.9b-11.]

Curiously, for those unfamiliar with the Bible, the first prophecies about the Messiah are closely related to the allies of the J., the Dacians ( Romanians Today ) Scythians, and the Hittites. For in antiquity, when they became partakers of the Covenant between Yahweh and Abraham, they became equal parts of the COVENANT, with almost identical rights. Only as long as they will be allies of Abraham and his seed, his descendants. Like the J., the Scythians-Dacians

(Derzalim-Cherdarim) and Hittites (Chetim) were the first peoples to be notified of the imminent coming of the Messiah the Savior. an absolutely fundamental honor, promptly honored by God. So again the Messiah is a Dacian Warrior coming from Romania to protect the Covenant between Yahweh and Abraham that was made long long time ago.

#### Isaiah The Fall of Damascus

"The burden of Damascus. Behold, Damascus is taken away from being a city, and it shall be a ruinous heap," features in verse one.

The verse follows: "The cities of Aroer are forsaken: They will be for flocks to lie down in and there will be no-one to frighten them... sovereignty will disappear from Damascus and the remnant of Aram."

Theorists believe the extract refers to the levelling of the Syrian capital, ushering in a period of doom.

Tani Shrabel, writing for Endtime magazine, believes Damascus will become the battleground for Armageddon following its demise.

Zechariah 14 is the fourteenth chapter in the Book of Zechariah in the nope Bible or the Old Testament of the Christian Bible. This book contains the prophecies attributed to the prophet Zechariah, and is a part of the Book of the Twelve Minor Prophets.

Also is written in Kalki Purana Prophecies

And by the way

\*Aron is also a Hindu Boy name and it is Hindi originated name with multiple meanings. Aron name meaning is Exalted One; High Mountain.\*

Royal Arch of Freemasonry it Shows all the time The Virgo and the Moon plus this has happend 2 times this year ... And also the Masonic compass is in the A Shape... So ARON ... Virgo the Month of birth 7 Masonic and Biblical Number, 9 Same also 1982 ... Again we have 07 September 1982 the bith date ... And 07 September 2021 The Great Apparition 39 Years another Masonic and Biblical Number

So from the Dead Sea Scrolls it is clearly written that his name is \*Aron\* ...

And after some calculations as Baba Vanga, Sundar Singh or Eduard Maytreia said and from the calculations in the Bible and Torah he clearly says the date of birth: \*September 7, 1982\* when he was born.

7 Biblical number, and 9 biblical number ... Eduard Maytreia says clearly that he had to be part of the \ "World \ " that is to be lost in the world, \*Messiah born in ROMANIA\* in Bucharest but lost in the world to be protected from his evils be hidden by those who seek it and have a normal life full of difficulties, ups and downs, plus that power will receive it at \*39 years\* and that the appearance will have up to \*39 years  $3 + 9 = 12$  biblical number. So 2021\* ... so most of the Papyri, books and all the documents found at the Dead Sea before they were confiscated by the papacy managed to get some of them online and deciphered.

There are more details to decipher but basically \*we know a name and a date\*, but we don't know what will be yet ...

Bible, Talmud, Torah, Hindu and Quran scriptures all speak of the same person descending from heavens on a white steed named

Jesus/Messiah/Mahdi/Eisa/Isa/Kalki/The Purifier, that will destroy evil, enlighten people and usher in a golden age for humanity.

The Bible describes "when the olive tree (Israel) spreads it's branches" and the generation when Israel was founded will experience the 2nd coming, thus the 400,000 years is wrong, but there's a shorter cycle that fits the bill.

Hindu scriptures also says "when Ganges dries up" which has already happened, when women speak bitterly which 3rd wave feminists does, when there are much corruption and sin which is now, all these signs are very clear and has happen thus further indicates the fallacy of 400,000 years is wrong!

Kalki will be the \*Defender of Man\* of people, grow up between mountains and seas and rivers wich is probably the most know as Romania that have all these 3 characteristics, Sundar Singh say about Romania and more... ( search about his prediction about Romania )

#### Baba Vanga

An important prediction for Romania

Just before her death, Vanga recorded on a tape a prediction that she entrusted to one of her grand-daughters. Her desire was that this prediction reaches a certain person, on a certain time that has the mission to acknowledge it to all Romanians. Her explanation was that the Romanians are special people but they no longer trust their own values and if the message comes from a foreigner it will be better seen than if from one of theirs."

\*Here is the text of this prediction:\*

"I am too small for him to come to me, so I bring this news that I was conveyed from Above. Let it be disclosed in January, day 25, year 2005 and within a month let it be taken to the one I will refer herein. If he cannot be reached, give it to people around him. So help you God! - "So here we need to know if HE got the tape?"

To the joy of this world, the one promised to the world will come in Romania. The whole world will rejoice at his birth. God will protect him in a place \*faraway\* ( so he is born in Romania but will live far way from his country ) from the place where his ancestors lay \*until his time comes\* this will be \*07 September 2021\*. Power from above he shall have. The Earth, Water and Fire will help him. When he comes out in this world, everything that is lie will fall apart. This will happen in 2005. He will be the foundation brick for humankind. The first who will recognize him will be his people ( Romanians ), that he was born in. As a reward, he will lead this people to the height of accomplishment in the entire world. This people will be a real example for all peoples on earth. He shall not ride a real horse, but an iron one that he will drive on his own."

Bible, Book of Revelation describes "woman clothed with the sun, moon under her feet" which is a celestial arrangement which only happens ca once every 5000 years, and happened in 2017, so it proves the time is near. ( Here we can say that Woman is the Sign of Virgo that means 07 September is the Sign of Virgo also another clue )

Matthew "right after the tribulations are over (Syrian war, maybe others in the middle east) he will come" so it points to ca 2019–2021. ( Here we can say already started Syrian war since long time ago and now as I wrote up when Damascus will fall is near )

Nostradamus century 1 quatrain 50

From the three signs ( characteristics ) will be born a man who will celebrate Tuesday as his feast day. - And again about this ARON Tuesday was on 1982 on 7 September His renown, praise, rule and power will grow on land and sea, bringing trouble to the East He will be the \*Defender of Man\* of the People.

**Re: God is actually a Human**

" The Anomaly" as GLP calls it and "The One" as the Members of High Society call him is a VERY HOTT topic at backroom meetings and castle side dinners. What is most talked about is "if" such a person where to be given the powers of a god

during the coming three days of darkness, what would happen to the world? More and more division is stirring between Members of the counsel and major party members, the actions of the present and past do not sit well with The One, and if given immense power He could likely turn the entire world into the dark ages "just for fun". The Anomaly seems to have a very immense Dark and Light side, when action is taken against him that is dark he becomes much darker than even the void, when actions are taken against him with light he seems to blind all in his path. These are just spiritual assessments made from high level Daemon Possessors, previous spiritual attacks have actually killed the Humans doing rituals against him. His presence has been known since his birth but only about 5 years ago did it become widely known among All Members of High Society.

I was in stockholm recently and was held by customs, they took my two witnesses the olive trees. Kratom and cbd.

Anyway ordeted some more, to my home this time. The custom agent even wondered why i would go to sthlm to collect it. I guess cause i was afraid of mail customs, but the ferry was a higher risk i guess, didnt really expect them to have a dog walking round but what can you do, i was really tired after walking around st hej lm for a day and my swear probably smelled a LOT like cannabis for the doggie.

Lets hope the new packages make their way here over sea safely. I dint feel like wasting so much money, but ill probably get the confiscated packs of kratom and cbd hash back in a month or so after yhey do analysis and it shows up as safe abd legal.  
 Man did the kratom feel good for soul and body, tried a few spoons after picking it up from the postbox. It hit me after interrogation that this must be the prophesy of the two witnesses..  
 Thank you for worshipping the Lord God, Ill probably publish a book sometime when I feel better from the natural medicine.

Op if you are still around, can you elaborate more on a spiritual halo a mile around him, and how that manifests in the physical world?

Would one of his recent handlers happen to be a British chap?

I think I know who he is.

I like british people, but i dont have a handler execept for my love. I havent met any of you because im actually quite a restricted person. But I'm good at conversing and relating to people and I'm not self centered. I webt to school like a normal person and now as I'm 29 I just want to enjoy life in peace.  
 I was looking at starting writing but I'm just a little scared of the mainstream and being publicly well known, It could be dangerous. But this place Åland is safe at least. We got such beautiful churces and nature.  
 The acutal society is very much not accepting of christ usually. I dont want any riots when I go to the library.
