When he appears he will also have miracles and seem to fix all the issues. Many will follow him blindly.

He sounds absolutely horrible.

What is he planning to do?

Any way we can stop Him?

Talking with Z and Her multifarious Gemini selves regarding this subject right now.

I wonder which of her 10 personalities will answer the door today.

At least you never get bored with Her. In the first page of our chat, the way she answered me, made me think I could live a billion years with her and not get bored.

Who is this delusional fool who thinks he can play with the energies of Creation?

Quoting: **Daozen**

How can you track down a myth that only exist on glp?

I am not for Vaccines.

I believe in science NOT religion. Giving me bad karma for that, is anti-religious (you're passing judgement)

I understand microwave communications.

I do not stand for the NWO, it sucks.

Death threat. Calling Mediation.

I'm not going to shovel truth down people's gullet for free.

That's one reason why humans are a laughing stock. Too up your own asses to ask questions. That's why you lost to a vial monkey, BTW.

Earth is a mess.

STEP ONE: Plant more trees.
 STEP TWO: Clean up beaches.
 STEP THREE: Merge Goal Oriented Crowdfunding and The Media.
 Art - Mission - Money.

You do not get to avoid these basic planet cleaning steps because you are a special snowflake Nephilim-Annunaki-Vamp 'bloodliner' who thinks he's special.

You absolutely do not get an exemption from The Golden Rule by sticking your nose really high in the air. Neither Lies, Tantrums or Murder will work for you any more.

If you wish to challenge me, go ahead.

Calling Mediation.
