hahaha.

I met the second one.

Got to say I do not dislike him.

It's him that has a problem with me.

We could have administrated Donkey Island just fine together. We have exactly complementary skillsets.

But he has a grudge.

Met me in Danshui June 2021. Went out drinking a couple of nights by the river.

He told me to shoot myself. He wasn't joking. His face was all twisted up with anger when he said it. I have screen grabs and everything.

The second one, I think, is the avatar of the entity Heimdall refers to as Sin Allah.

The first is the EArthly avatar of the entity known as King Anu.

AKA TweedleDan and TweedleTuna.

Re: Dear Heimdall, are these your Bosses?

PS. A thread deletion means we scored a hit.

Be aware of that, Heeren Loo party boyz.

I met the first one in 2018.

Called himself "Dan Starman"

"Befriended" me... passed himself off as a humble preacher man.

I used to go visiting him in Yuanshan every 2-4 weeks for a couple of years.

Then I get tipped off about Heeren Loo on a thread here.

I went on their Facebook page, watched a vid.

Low and behold, it's Dan.

Were you the one behind getting my thread two days ago about who the anomaly was getting deleted?

The one that had the exact requirement needed to become the anomaly.

Shame last night I actually wrote down on my pad of paper here the exact steps to enlightenment and how to escape this world.

But now I think I will wait.

None of you will learn the truth of the spinning Diamond at the end of the silver strand for now.

Congrats shill.

Re: Dear Heimdall, are these your Bosses?

You can't see it in the pic I linked, but he's actually got his foot on a blowup EArth beach ball. With his foot right on the arctic.

They do this stuff so they can 'hold dominant frame'.

What a tacky, tacky motherf**ker.

Went out drinking with him in October 2019. His young American friend pointed at him theatrically, and said:

"You don't know who this guy really is"

Over the course of 2018 to 2020, Dan did everything in his power to get me to manifest a negative timeline, and kill myself.

His most memorable line was:

"We're going to be chased through the woods by Boston Dynamics Robots."

Why are you so close to all these guys you claim are responsible for the evil of this world?

Its almost like you are revealing yourself to be working with them.

Under Penalty of Perjury, no. I never flagged your thread.

I have had literally dozens of threads deleted.

I possibly have the bloodiest nose in GLP history.

Spinning Diamond, silver strand.

Sounds like the pineal manifestation diamond...

Dude, they f**kiung APPROACH me in the street, and befriend me.

Turns out they all want me dead.

Oh well.

And no doubt they have all managed to get me under their thumb to one extent or another for certain periods.

Working for? Paid cash? No.

Influenced and manipulated by?

Guilty as charged.

But now I've shaken most of them off.

Do you want to know one reason I start these flailing troll threads.

1) To blow off steam. i have a high pressure position.

2) Because every damn mediation thread I have started in the past year or so has been deleted, sometimes dozens of times.

If you want to know why I get mad, that's why.

If mods let a mediation thread flow... they will find me more amenable.

So let me try and be mature, and start one now.

Here:

[Thread: Can anyone mediate between The Anomalies and The Special Needs / AR industry?](#)

You are welcome to mediate, or give advice, if you want.

Or we can continue with these boring food fights.

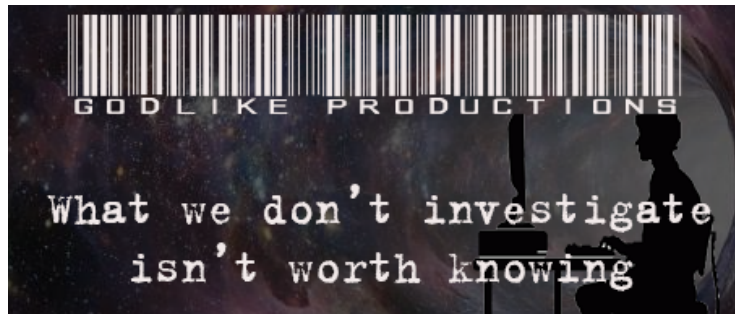

Btu please don't say I didn't reach out in good faith dozens of times, over two years.
