God is alive right now in the flesh, but nobody knows Him

God is alive right now in the flesh, but nobody knows Him

"He has a name that nobody knows except He Himself"

That means whoever is tried to convince, only He Himself will know who He is, just like Jesus.

Jesus says He will write on an individual the name of God.

Jesus gives Him the bright morning star.

The hidden one is prophesied to rule the earth with a rod of iron and dash the nations to pieces.

He is given the New Jerusalem as His dwelling, will sit down on the throne of God, even receive Jesus' new name.

Nobody sits on the throne of God, except God (Elohim).

Someone alive on earth is God and only he knows it.

You aren't wrong 😅

When you orchestrate the conditions of flow, you aim to deliberately lose yourself. You stop being you and you let yourself become part of something else. Something bigger.

"Whatsoever you do to the least of my brothers and sisters you have done unto me."

What does this tell you?

"I and the Father are ONE."
 Now what does this tell you?

"Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father."

Now what does this tell you?

He has not come here to destroy but to SAVE through the power of G9D's Truth. Only by accepting and living the Truth can you save yourself and take your place in G9D's Kingdom of everlasting life.

You have always been and you will always continue to always be. Remember this Truth.

He is Elijah the Lord of hosts with a full King name.

And a very easy one to find, that even the impious in powers did not recognized, let alone prepared for the coming in the name of the Lord.

And yes, all of them shall be confounded and that included the Brutish Anglo-Saxons Queen of Sodom and Gomorrah II sojourning and scattereth the Lord pastures in England.

Jesus isn't God and God isn't a man with a beard, robe and sandals that sits on some big throne. God is the energy that runs through the Universe.

Your god lacks humanity. He is the devil. YAHUWSHUWA exists at all times alongside His Father as One. If that energy you claim to be god is everything, then He certainly was human at one point.

People in the modern age have been separated from our families and our groups, so it's not your fault for thinking individualistically.

The bloodline of Christ is very much alive and being heavily attacked by anti white rhetoric.

Quoting: **Praetor of Olea**

far as I know the blood line of Christ as there were children and all have been murdered. If there is any bloodline left after 2000 years... its keep very secret. Mary M bore a child and there were 5 children born in India after the Crucifixion.

Its about the soul. People cannot make it to Heaven if they do not love their neighbor. So can people love their neighbor and treat him like God?

Can you treat God like a man because you refuse to accept he is God and still make it to Heaven?
