What do you have to do?

I heard you had to wear a white smock and trick humanity into a one-world-crypto system.

Do you get lodgings in the Vatican? Travel allowance?

This anomaly/nobody meme is to get you ready for the antichrist showing up as a man, his spirit is already here and has been for a long time.

When he appears he will also have miracles and seem to fix all the issues. Many will follow him blindly.

you are orion draco sirian spy in disguise and only those empires created god mentality to easily subjugate souls as forcing souls is a crime... god is not someone outside bible religion was created by these empires to trick souls to be thinking themselves as god especially pride souls and then trap them... you judge and this itself proves you are thinking yourself as god... normal people cannot judge and only god can judge so you have to be god to god on subconscious level.. these beings are very tricky as soul trapping has something to do with god consciousness and you fellows successfully got in to their trap...

i can give you many examples where you think your self as jesus as well as god.. only god can give advice and you give advice... only god can discriminate others based on their religion and you discriminate others.. only god can kill and you fellow kill... killing any life form will make you god..

because this universal creator is not some one to be messed... thinking yourself to be god makes you a enemy of this universal creator. think of this you working for microsoft and you think yourself as bill gates and this would make bill gates real angry...

one simple truth.. god or jesus never used or said read bible.. only your parents priest or friends told to read bible.. and only bible told to read bible and bible was created by jesuits or those terrorists illuminati for energy siphoning...

when you think yourself as god they can easily trick you to give them energy as god is loving and he will give energy if asked...

Re: Have They Managed To Track Down This Idiotic Nobody/Anomaly yet?

I think I remember you, Sk??? of India. Welcome. Your posts are always good.

Any update on how the Orions/Sirians are feeling now?

I think there's been a lot of clearing going on. The Hive is weaker, and more healed.
