Wording may be off.

Extremely difficult to describe or even grasp this type of take on reality.

Still the concept at hand could hold deeper meaning.

Meanings incomprehensible to current human minds.

HYPOTHETICALLY speaking.

Completely agreed. And I have thought of the answer to the question you propose and I ask myself...Am I not human if I know when they are there without looking up? Immediately take hundreds of pictures when I do confirm they are there? Try to tell people with photographic proof and they think I am nuts? Dude, I am seeing this shit, don't take drugs every day, definitely smoke some weed every here and there, and also the binge drink type of night. But nothing that says I am not in my right mind. I AM SEEING THE SAME SHIT THE ANCIENT PEOPLE, AT LEAST IN CENTRAL AMERICA, DREW ON THEIR ROCKS, MOUNTAINS, CAVES, CODEXES, all of it. I find it unbelievable, but unfortunately have to degrade myself with posting it in a forum like this to communicate that because hopefully, 10% (probably 3%) of the people that read what I say might take vigilance.

No. Impossible. Jesus never walked upon the Sea of Galilee. The original text states just a "sea" which was presumed to be Galilee. All the evidence indicates that it was actually the Mediterranean.

Re: Jesus walked on top of a UAP/UFO in the Sea of Galilee...

Do a search on one of those bible sites...Look up "inhabitants." Extensive visions of these and whatever "vehicles" create them. They are not human. But they were here and are now as well. You should be able to differentiate based on the verbiage between the "inhabitants" of the earth and of the other weird sounding names/cities/mountains in the sky. You have to remember whatever these people were seeing would describe things in a way that people like us wouldn't understand. Another avenue for you, search "Mayan artwork ATETELCO" and "Highland Chiapas NAHUA ancient artwork." Their artwork as opposed to the words of the bible do enough of the justice for me. Words just don't do it.

You're right, contact was/is across all cultures. Mayan, Aztec, Druid, everywhere...

Notice the heat this thread is getting. The Dutch are coming forward and making open threats. If the guardian races clamp down hard enough, the pizza party ends.

They do NOT want people making the connection between ancient religions and hidden civilizations. That's a huge part of the mystery.

Cities and mountains in the sky, to be sure. Once you learn to translate loosely, the mysteries open up.

Nosso Lar, the movie, looks interesting...

Re: Jesus walked on top of a UAP/UFO in the Sea of Galilee...

The Guardian races, known as the watchers in the Bible... make sure free-will is not abused on this planet.

Obviously, some abuses take place, but people are mostly kept in line.

If you saw two fifteen year old kids fighting in a yard, would you intervene?

Only if asked
Only if asked
Only if asked

Maybe you would just say "boys will be boys" and let them fight... is it your business to stop a couple of teenagers punching each other? Some of the guardians see Earth like this... they won't intervene unless asked.

If we ask for help, they can do more.

You can ONLY ask for help if you are incarnated as a human, and have "dual-citizenship" so to speak. You must be a member of a star nation AND be incarnated on the ground. Then you can ask for help.

HUGE effort is made to find those with dual-citizenship, and distract/placate/disempower them.

Then, there is the subject of The Judges...
