OP is a holier than thou judgmental hypocrite that thinks he knows everything which IS his hypocrisy. by his own claimed "standards" he will be in hell as well.

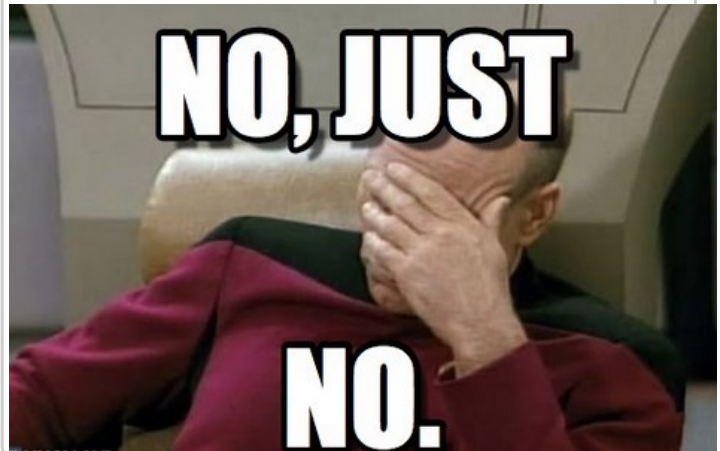

how you like them apples you pretentious ass?

lol you guys are all the same. THINKING you know something rather than actually knowing anything at all. Makes it easier to falsely accuse others around you. hmmm. bearing false witness... what a shocker. lol

thus, you go around with your finger pointing out. completely forgetting about the the three pointing back at yourself.

I don't need to. I HAVE an actual relationship with God already. You'd know that if you were actually 'in touch' yourself. What you are doing on here is actually the literal embodiment of SATAN ! duh duh duhhhhh lol. Yeah. no shit. Satan the word that means the "adversary" known as the "**ACCUSER**" pronounced Sah' Taan.

Satan, from Late Latin Satan (in Vulgate in the Old Testament only), from Greek Satanas, from Hebrew satan "adversary, one who plots against another," from satan "to show enmity to, oppose, plot against," from root s-t-n "one who opposes, obstructs, or acts as an adversary."

In the Septuagint usually translated into Greek as diabolos "**slanderer**," literally "**one who throws** (something) across" the path of another (see devil (n.)), though epiboulos "plotter" is once used.

one who throws.. like accusations or sweeping declarations of a negative nature against others.

you are literally doing satan's job for him. lol so who's in need of judgement really here in making a thread like you have?

Think about it. If you can climb off your high horse long enough to do so.

ENJOY!

Wait until you discover that God is the one trying to destroy this world....

Lucifer is the one trying to keep the NWO from happening.

Everything you think you know is a lie.

What you believe is good is evil, and what you believe is evil is good.

To resist the NWO is to resist God.

To resist the NWO, would put you in the same light as Lucifer and the Fallen Angels, who originally tried to keep the Jade/Sirius Empire from invading this world and conquering it in the name of God.

If you stand with the NWO, you stand with Jesus. If you stand against the NWO, you stand with Lucifer.

Re: Many of you people will not be able to keep on going like you have done so far.

That is very True.

One day.

Those of us who have been judging this world so harshly.

Will be Judged FIRST.

Quoting: **Anonymous Coward 75190561**

God has already stated that this world is reserved unto fire.

So that sounds pretty much like the world has been judged harshly. Wouldn't you agree?

Judging those that see the world for what it is and follow God's Word is setting yourself up for a fall.

There have been promised made and kept. Not to sound like the hard truth line does not exist when I say love... what can I say it is real, and wisdom justifies it's own.

Using "the foolish things of this world to confound the wise..." Having the wise become fools to confound seems like a wise thing in deed, so is the way of love.

The one who seeks to steal, kill and destroy resides within you. You have been deceived and now you spread the word of the beast just like I spread the word of our one true Lord Jesus. Seek answers directly from Jesus. If you are sincere he will answer. It is not too late, repent and ask for forgiveness. He loves you, you were created in his image. Save yourself, your Salvation. The NWO is ushering in the beast system, committing Democide, their goal is Transhumanism to bring

about the Antichrist and to make a counterfeit copy of Homo sapiens, to alter your temple, your body that was created in Gods image. Everything is a lie with Lucifer, inversions of what God has created, counterfeits. He knows the time is short and he will be cast into the Lake of fire so he is working very hard to deceive. We are getting close to the end of Revelation's. Please brother or sister don't throw it away

Re: Many of you people will not be able to keep on going like you have done so far.

All because you cannot be who you want to be in Heaven.

Quoting: **Anonymous Coward 79556534**

People have given up because no matter what we do psychopaths, sociopaths and narcissists, seem by design to end up in control.

Almost like God designed them to be place holders.

To illustrate, There was a rich man traveling the land, when he came across a wild mustang. The rich man seen the creature and was mesmerized by it, and wanted it as a horse to ride and enjoy.

The rich man knew the wild mustang would never voluntarily agree, and that if he broke the mustang himself, the mustang would always hate him. So under the cover of darkness, the rich man send hired goons from a far of place, to abduct and break the mustang. To treat the mustang harshly so that, when the rich man comes for the mustang, the mustang would be glad to be "free" of his captors.

When the rich man came for the mustang, after it had been severely abused and beaten into submission, it recognized the rich man as the stranger who looked at him from afar the day before everything went bad.

We just want to live free. Our entire lives, since Adam and Eve were in the Garden, has been operating on an artificial script to advance God's goal and agenda. No matter what we do, the psychopaths, sociopaths and narcissists always prevail over us in this life, and work to make life a misery.

We are unable to solve any problems, because God doesn't want the problems solved, not part of his script. After all, if homelessness is done away with, if we had functional governments and institutions, it would limit peoples ability to do good. It would limit Gods ability to be glorified, so things sit the way they sit.

If we grow weary and become backslidden, God ensures the psychopaths, sociopaths and narcissists go completely unhinged and our communities are flooded with invaders to sow as much death, destruction and suffering, to force people back on their knees.

If we stand firm, nothing changes. Psychopaths, Sociopaths and Narcissists, still reign supreme, but God lessens their destructive nature. We live lives of hardship that pleases the Heavens. Corruption remains rampant and God's placeholders still devour the wealth of the land. Abuse and injustice will always be rampant in some form or another.

Existence is pointless. We are just slaves born into a system we never consented to, to be pressed,

afflicted and burned, until a desired end product is created. Any waste or failed attempts, well they can go to the garbage dump to be burned at a later date.
