I can't believe you guys are in full on gaslighting mode.

No WAY you can keep this up.

If they were innocent they'd just shrug and sign the docs. I never asked them to sign anything before.

They even had dinner with one of the people involved.

Re: "Mum" has refused to sign an affidavit denying knowledge of the livestreaming industry for two months now...

And casting... *what an excellent job you've done.*

Biggest hits this year:

- Disgusting Dave.
- Aren the conceited Hippy.
- Frog eyed guy who ripped into me for being 6 minutes late.
- David Belly the pedo.
- Fat F**k at work.
- Flute playing douchebag in Zhongxiao.
- David, demon boy of Danshui.
- Ghost face busker...

Where do you hire these schmucks from?

Anyway... I also met tons of cool people this year. It was my best year ever in many ways.

Om Namah Shivaya - Krishna Das Live! Song...

See how you like it when the AI turns against you.

I've named the parties tons of time on this site, got deleted every time.

No way you can keep this up.

Something's got to give.

I can just chill and wait til it all collapses.

P.S.

That dominant frame act is tired and pathetic.

I approached her very calmly and respectfully...

She's doing the same perjury dance as we see on GLP:

Guilt-trips, counter-questions, I'd never do that, etc. Massive long gaslighting emails, but no signature.

I remember her going awkwardly silent when I casually mentioned the Truman Show in spring.

Fact of the matter is you burned out my goodwill, and now I could barely care any more. I've seen that tons of GLPers were in some kind of program, and they ended up doing alright...

so...

Your move, KK and DMan.

Compensate or Ice-Wall.

Looks like they're getting ready to commit perjury. They told me to send the forms.

Do they have some trick where they renegotiate stage world contracts in the back office?

Maybe I should put them in touch with Heeren Loo and Steve. That would be a good chess move.

Death Match Accepted.

Can you, AC 84973778, and your entire network, swear against this?

I, Daozen Abraxas-Baggins, swear the following, under Full Commercial Liability, before All of Creation...

Under Penalty of Perjury, you are unwelcome, malignant, deceptive, murderous guests in a Private Universe. You have taken part in either (Under 16 years of age) child-rape, child sacrifice, child trafficking, hard drug dealing, illegal livestreaming, murder, and conspiracy to murder.

You fully accept that you are a danger to all Creation, and you consent to spiritual and/or physical annihilation.

You also fully consent to the immediate destruction of all your infrastructure, equipment, bank accounts, assets, life force, surface and underground cities on Earth and beyond.

You consent that this written challenge carries full legal weight, and may not be renegotiated on any level of reality apart from this one, here, in writing on godlikeproductions.com

Anything apart from a full legal refutation, sworn under penalty of perjury, constitutes Legal Silence, and full acceptance of the charges, and acceptance of physical and spiritual annihilation.

The physical annihilation will start with the full on destruction of your underground and surface

cities, on Earth, Sirius, Orion and beyond.

1 hour to challenge this under penalty of Perjury, here on this thread. Sentence enacted at 11pm Taipei time. We call armies and mediators form All of Creation to enforce it with vigor and overwhelming force.

This bolded text Sworn Under Penalty of Perjury, with Full Commercial Liability.

Sworn December 20th, 2022...

Daozen

Amusing.

I will also be taking the name Tardicus.

Now please do the honourable thing and off yourselves.

I take it that you accept the charges and sentence in full.

That's very honest of you.

Best Wishes for all,

Daozen
