And when they bring you before the synagogues and the rulers and the authorities, do not be anxious about how you should defend yourself or what you should say, for the Holy Spirit will teach you in that very hour what you ought to say.

Re: Jesus Was A Hybrid Like Gilgamesh

genetics is part of the divine plan. the fact that evil copies the divine does not diminish the factual nature of and perfection of divine manifestation/creation.
mankind is not the epitome of physical perfection.
there are better vehicles of consciousness than the 5 or 6 foot form with which you are familiar.
If a great being wishes to communicate with the people of earth sometimes it is necessary to create a superior body form. this is not magic. it is genetics.
fully synthetic bodies can be used but they won't be quite as human looking.
so our superiors in the cosmos use genetics and create hybrids.... oh the blasphemy! lotsa love christians. the annunaki were geneticists and their body form was human. actually our body form is subhuman. the evil ones have messed with our genes an made them only two strand. they should be 12 strand.
the annunaki decided they needed miners and their own people revolted. the annunaki miners revolted. Enki/Ea by whatever name came up with a plan. he and ninhursag , a gifted geneticist and apparently his wife would combine anunnaki genes and "ape" genes to make slave miners. it's unclear but the ape was apparently more of a proto-hominid.
so they had new miners, but enki was unsatisfied with their abilities, and he and ninhursag continued to fiddle with their creation. some of it may have been genetic manipulation but apparently most of it was just sex with anunaki/enki himself.
and yes the one called jesus was created out of gabriel's and Mary's combined genetics. yeah I said it. the truth stands like a lion and gets attacked with great gusto.
all the best my brethren.
Jesus by whatever name looks over our shoulders and is returned and active in his subtle way.
OP is correct this time. if you love praying to jesus, it's no sin. but you can pray to god too. why pray to the lesser when the greater stands before you?
the oneness is all, and you must be of that oneness and you must learn to recognize your divinity thereby. is not man creator? are we not great? don't sell yourself short brethren. how can there be oneness that you are not part and parcel of. the one/divine makes the physical universe out of itself. therefore it is all divine. and those who wish to follow the dark path and worship some twisted concept or thing that they with to believe is great and powerful only delude themselves and hurt themselves. the divine makes allowance for this because of the importance of freewill/freedom/choice. and these things only serve to carry forward the divine plan of individuation and self realization.

Re: Jesus Was A Hybrid Like Gilgamesh

Blasphemy to make the comparison. Disgusting. Nehulim were outside what God created. Not good. Not holy. Vile.

Everything God creates is not a hybrid. Op is a m0ron.

Plenty of beings in heaven that are a mixture of animals and they are not hybrid because God made them.

Re: Jesus Was A Hybrid Like Gilgamesh

Yeshua was half God, half man. Your Bible tells you so. He was not the same as God. He was one of God's creations. He may have been closer to God, but was not the same as God himself. The same God that is in control of the entire Universe with its 7 trillion, billion stars all harboring planets that can host life.

Pray directly to God. Leave Jesus out of the prayer. The New Testament was a series of books cherry picked by the Roman Government to make you believe that God lived on this Earth as a man. Worshipping Jesus is blasphemous according to the Ten Commandments.

Jesus showed the path of righteousness. We are supposed to try to emulate the way he interacted with the world. Not pray through him to reach God. Like I said before, doing so is blasphemous.

this is the stupidest thread you have written so far Deep. REally DUMB Your blue bitch is not God of anything.. it is fake and its skin and bones did not create the creation.

and there re will more than 7 trillion stars bud.

Deep thinks he is Christ Jesus... said so in past stroies.. he was shown the head of Christ and merged into it.. in that evil basement in the Dome His real purpose in the mind control/possession he is under is the destruction of Jesus and the creating mind of all who create the creation.

Jesus was just a man, not even "a" god like the olympian gods. And also, Jesus is no longer in Heaven but in Hell. The part that is true is that Jesus does exist.

Heaven, hell, and the supernatural are just made up. Jesus the human existed. He should be revered as the greatest human to have ever lived. He was mortal, as all of the rest of us are. He taught us how to love one another. That is more than any made-up God could do.

Just don't make anything up.

(great research)

They not only want to capture crypto, they want to capture every single one of us. It seems that all roads lead back to Klaus Schwab and his WEF.

Re: Jesus Was A Hybrid Like Gilgamesh

You can pray to God and that's great - you will get some help. But praying in the name of Christ Jesus will bring your experiences to a whole different level. Especially in times of deep trouble or distress - his name will work miracles for you. Only if you believe, though.

FACT

Quoting: **Anonymous Coward 78524313**

You are worshipping a lesser God.

Jesus was a creation. It helps you in no way shape or form to use him as a crutch to gain forgiveness for your sins. You sin while trying to use him for that effect.

Jesus said: He who seeks, let him not cease seeking until he finds; and when he finds he will be troubled, and when he is troubled he will be amazed, and he will reign over the All.

Re: Jesus Was A Hybrid Like Gilgamesh

If one steps back and looks at Bible from distance it makes some sense. Its like the evolution of an AI, from all the impossible rules in Old Testament to the growth and expectation in the New Testament to have/know love and self rule.

So you are saying the the White women who are dating non-whites are doing it for retaliation in some way? And you could see this trend coming twenty years ago? Wow, that's really scary.

I feel sorry for the parents of these girls. I'm sure alot of them bring their daughters up to believe that dating outside your race is wrong, but the peer pressure must be too great.

I still don't understand how these girls can get past the aesthetics of doing this. Lets face it--nonwhites are not physically appealing by any stretch of the imagination. How do they stand to kiss them, let alone do anything else for that matter? Ewww! Gross!! The thought of it is enough to make you sick! And there are so many attractive young white men around? I guess I just don't understand this generation. (I'm just an old fuddy duddy) LOL.

You're white IQ is forcing you to analyze the Semitic lie called Christianity. You've slowly moved away from traditional Murica Christianity and eventually you'll leave it altogether, realizing it's just a construct used to control.

Semitic constructs are foreign, oriental software operating on the hardware of the aryan mind.

You are about half way to accepting this fact.
