Re: Its too quiet on this hell planet

Why have things fell to a standstill. Whats changed? You had about near a year ago they were committing commerialized genocide like jim jones giving koolaid times 1000x but now even that news is dead silence no one gives a damn. Then you had the ukraine war that fell flat faster than a soda. What gives? Im not saying I want anyone to die but who stomped the brakes?

Fucking sicko.

Do you have a problem with peace and tranquility, stupid?

Quoting: **Anonymous Coward 84798034**

No you fool. Im sort of scared as the music has stopped playing. it bugs me of course I want peace and tranquility but you can have it on this hell planet. Its going to blow over but when? I just want rest from this eternal hell or go somewhere else everyones a critic but i just dont care anymore. Its a shitty game that is just abusive. The show isnt over till the music stops playing completely though.

Yep.

And check. GLP traffic is down massively.

It's a LOT slower here, but more chilled.

The more aggressive shills have f**ked off to who knows where.

Imagine trying to shut down an old, byzantine, ancient black-magick movie theatre, with a small team of Janitors and paramilitaries.

It doesn't happen overnight.

- Slow the movie down.
- Arrest or kill the old management staff.
- Bribe or coerce the rest of the workers.
- Shut down the speakers.
- Stop them selling poisoned water.
- Wake up the sleeping zombie movie-goers.

It's an operation that takes a while. Years.

I know how you feel.

last night I went for an evening walk, and there was just *Nothing*. Just felt I was walking in a Nintendo video game.

The good side is. It's safer for magic people to walk around. The ambiance is safer and more amenable to them.

I admit, for a second, I missed the aetheric chaos in the streets. Like a soldier who can't readjust to civilian life. Then I caught myself, and reminded myself that I have been craving peace and quiet for over a decade.

We are in a kind of null point now, before the next phase... which will hopefully be Us All manifesting a better timeline...
