Nancy Pelosi's visit to Taiwan is likely vampire related...

But for what reason?

Peace deal, manipulation, war talk?

Curiouser and curiouser...

Re: Nancy Pelosi's visit to Taiwan is likely vampire related...

there is some theory out there that what china wants is north american farmland to feed it's people...along with a subservient worker class to produce it.

that would mean no kinetic war that would destroy infrastructure.

it would mean more sickness/virus and starvation tactics...couched with a global economic reset putting us on the agenda 2030 shit wity block chain and social credit system.

if that is truly in the cards, i would prefer a kinetic war.

It will take awhile to get the actual War Rage going, there is just not enough of the right peoples fighting yet .

The hate on hate is still a ways off.

Nancy Pelosis visit is meant to hand off information to the Chinese, Taiwan has nothing to do with her visit.

It's all a fucking ruse.

I don't really believe this is 100% correct. But you might be right. Thanks for the ideas, anyway...

None of know what's up, any more.

Nancy Pelosi's visit to Taiwan is likely vampire related...

It's a dream.

Why is it announced publicly?

Why doesn't she go to HK?

Taiwan is a SE Asia diplomatic hub.

An Asian Switzerland, if you like...

This is Our Dream. They better play nice...

We are not waiting around...

Could go to Dili, Philipines, India, Java at the drop of a hat. What if I minimize GLP?

Just go figure the amount of people who thought they were indispensable gatekeepers, and ended up in the gutter.

If it can happen to _____ ...

Im not really boasting about this..

I really wanted to get on with them...

But they couldn't help taking a swing...
