Imagine

Quoting: **Anonymous Coward 78238171**

Anyone who has a lot of people backing them gains their power.

If everyone backed the Anomaly *he could change the world in an instant.*

Move the entire planet of required *or any object that was going to hit the Earth.*

Grow back the forests in a day.

He could probably do it without everyone's backing. It is a lot easier to do anything when everyone backs you.

Or he could do exactly what he said he was going to do from the beginning, and fuck your whole system to hell.

Just the opposite.

The anomaly will end the idea of money.
