Many people are now having dreams of not going to make it to Heaven

I'm sure that many of you somewhere thought that you were quite ok, not a bad person. But now people will dream of why they are not, and why they wont make it to Heaven.

Its because you are small and young compared to the big boys and girls that will make it to Heaven. What is "up" to you is not "up" to them and thats why you dont want to live with them in Heaven or on Earth because you cannot be who you want to be.

This is where we collectively are in our hearts right now.

If that is the truth than it makes alot of sense to me.

Up in Heaven everyone wants you to live so you go up. But once you are up there you no longer want to be there because of what i said in the OP.

You will not get in on your own merits, no one is worthy. That doesn't mean you shouldn't still try. Love God and be good to one another and accept the gift that Christ has given to us.

Let's say we all accept Christ make it to heaven where none of us are worthy...then what?

Sit around feeling sorry for ourselves because Jesus tricked us into going to heaven?

Why would you want to be somewhere you aren't worthy to be?

More people come to the saving knowledge of Yeshua during the end times than any other time in world history.

Population has now hit 8 billion.

Revelation 7:9

After this I looked and saw a multitude too large to count, from every nation and tribe and people and tongue, standing before the throne and before the Lamb. They were wearing white robes and holding palm branches in their hands.

Never heard of a single case of one, suspect its your dark age fundie prejudicial, hate on humans, don't understand God is Love and remember home, and that everyone eventually makes it and that humans are wonderful souls, its their leaders including religious leaders that aren't, and secretly a satanist trying to code the matrix, stance that makes you see things that don't exist.

Re: Many people are now having dreams of not going to make it to Heaven

What have you dreamed about the last few nights?

Quoting: **Anonymous Coward 79556534**

Mixture of semi flying with tether and kind of parachute/wingsuit thing(it's a dream what do you expect). 2 of the last 4 night actually and it's really cool, I can have some very vivid like dreams, this wasn't a full on lucid dream but still very fun. Pretty much was just enjoying the experience of it, kind of like something was tethered to the ground or a pole and I was using the full 200+ feet of the line just flying/gliding with wtv it was, mostly the sensation of flying though but with the resistance of rope at max length.

Was super fun hopefully I'll have more.

Accept the GIFT of forgiveness. Jesus will forgive us for falling short of perfection if we ask for it. 'I'M SORRY' goes a long way with Jesus.
