### Is the Narrow Gate the Crown Chakra? The door that leads to the Orion/Sirius Empires, and The Living World?

It would seem so...

Make your ego as small as a mustard seed, and drift through this door.

From the world of carbon... to the Living World.

He meets you "in the air"

The Crown is the Kingdom of Heaven, the Narrow Gate is the spinal path.

the 2nd Chakra.

Anyone who claims they do has wandered off the Narrow into deception.

Only in a Golden Age can man go higher on his own.

Interesting, thanks.

The baptismal waters are represented as a sea in the Truman Show.

I have always wondered where to focus... I guess starting an inch above the head might work.

Maybe the Kingdom of heaven is much smaller than we would expect...

Many have implied this is the case.

No, I am a **fraud**.

All I know is that human beings are always trying to skip the beginners class:

- Good, healthy, home-cooked food.
- Beautiful music all day, hopefully not on a smartphone.
- Exercise: Pushups, dips, planks, squats... a brisk walk. Cardio if you like it.
- A tidy house (Im still working on this)
- In the social world: Kindness, Respect, Sincerity.

There is more...

Can answer any specific questions you have...

But why would the enlightened sages of Earth listen to a guitar player in the corner of the internet.

Laughing out Loud!

That's not the living world..

Read the line that describes noms dna... Other realm is other matter....

Home is something very different from any description presented....

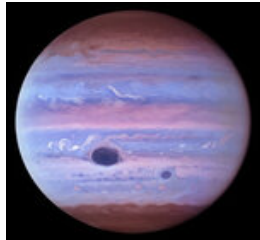

Pretty obvious if you think about it!

Im aware there are many trap layers in the astral and etheric planes.

I don't think the Orion and Sirius Empires are the true home, but another 'Admin Layer' in this reality, which might need to be debugged.

From what I know, you can go anywhere, once you escape the carbon body.

So where should I focus?

The Pleroma?

Just because you can't doesn't mean others can't.

When you get to the 7th Chakra this is the hardest part. You need to let go of life itself. No love or care for anything. It's hard to achieve this without going through the first Chakra because if you haven't opened the first you will get intense fear of death.

There are many who can achieve this. This poster has limiting mental blocks

I understand why you feel the need to cast me and my insight in that way.

In your deception you reject the alchemical need for a Messianic principal in this particular dispensation. You lack a fundamental understanding of the polarity in which this realm currently functions.

There is no ascension without intervention, there is no third-eye awakening on your own works.

You believe you have it, though, right?

Those who are deceived believe they are not deceived. That is really the outlying principal of deception.

The adversary appears as an Angel of Light and escorts you to false destinations.

In the last Golden Age, Meditation functioned unfettered and yes, there many Spiritual masters and no need for Messianic interventions.

I'm sure we can go back-and-forth but if you're comfortable in your sideline and don't mind missing a boat, cool with me. I'm good over here, as well.

Intervention might possibly be necessary... there may be both deceptive and sincere spirits out there...

But can assistance only come from Christ. What about the millions of Asians who have had success meditating with Buddha and the Taoist spirits?

Asian society, in general, is functioning better than the West now, so they must have something...

Alright, that makes sense.

It's also a reference to the Chrism oil that we make internally.

This makes perfect sense now.

When I mentioned immortality to a Daughter of Cain, she said "I think you need to focussss on the sssspinal cord fluuuid" in a creepy-sexy voice. Creepy-Sexy is hard to do. More darkly mysterious than creepy, I guess.

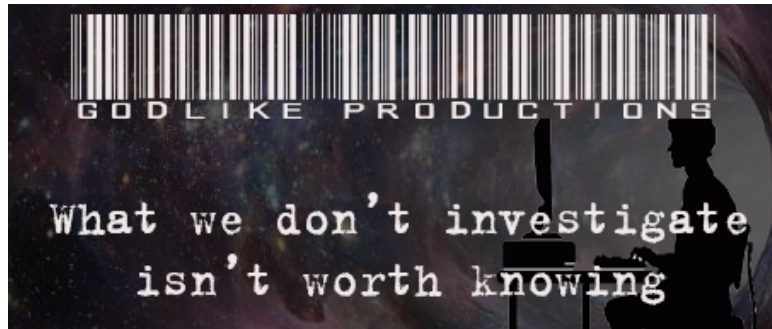

So... all inner cultivation: Yoga, meditation, dancing, music, noffap, nutrition... is about nourishing the spine, and getting the energies flowing correctly.

Taoist Orbit / Kundalini / Whatever...

You come to EArth and nourish the spine... but there are a million distractions to get you to ignore this inner cultivation path. You end up spending your energies in Pleasure Island, and getting trapped here. Let go of the Broad Way, cultivate energies internally, and save enough energy to project to the Paradise above our heads.
