Everyone has anomaly potential.

Everyone has the potential to be an anomaly the tipping point that sends the entire show into a new season. The key is have you, or are you willing to see that neither side is the be-all & end-all of truth? Reconcile duality within & outside will follow, unity consciousness isn't that far off.

Re: Everyone has anomaly potential.

Look at how fast this post was attacked by the goon squad, hmm must be some truth there that someone/thing doesn't want others to be aware of. Very interesting.

Re: Everyone has anomaly potential.

What makes us have strong opinions that we feel we need to make angry or disruptive posts about is just programming. We can rise above those things and remain in a peaceful, content state of mind instead of getting all riled up by our base systems.

Interesting the hostility it's met with. Fascinating how most seem oblivious to the nutrients offered. Obviously a sign of limited 3D Matrix programming.

Probably no one would want the sword or anomaly status if they're knew the great responsibility

"The human is a being created according to Nature's laws and is therefore dependent upon them. In the course of time our magnum opus, our self-created pseudo-culture, has become a meaningless and incoherent monstrosity. Through the immense power of technology it has reached such gargantuan proportions that it almost equals the power of Nature herself. At the very least it is already able to interfere destructively with her great life-giving functions."
