You are wise! Exactly. This analogy is excellent, My system would feed everyone, end homelessness, end military budgets, and lead to great wealth for all consciousness.

We are a collective consciousness, seeking to aid in the delivery of this plan. I hope that if I am unsuccessful or dead, that someone finds this thread in the history of the internet, after a global disaster, and realizes the profound value in this system and services, for all of our relations.

Best wishes.

Well best wishes or good fortune with your innovation dream reinvention business again?

For nothing new under the Sun and yet son and daughter of man are stucked within prehistoric backward kings and queens hive mind ages intermingling among sons and daughters of men with the out of controlled breeding of mankind on the most basic son of man technology.

Yet still using wind as sails and turbines when Atlantean were wiser with far superior in technologies wise? You know, if it were not for iniquity of sinful greed, perhaps this marvelous and compact technology would had been reinvented again thirty years ago..

Yet truly how do you get out of this overlapped and burnt out solar system universe in third dimensions when only those in fourth and above are allowed to space travel?

Thankfully too wise to sell my wise old soul to the Devil and fall into Steve 'Jonah & Job' Jobs the prophet pit of Sheol with Poppy Mommy, for I'd rather wait for Jesus the Lord and free jump straight into fifth dimensions within my Merkabah of light!

The lamp of your body is your eye. If your eye is wholesome, your entire body will be filled with light.

But if your eye has been corrupted, your entire body will be darkened. If then the light that is in you is darkness, how great will that darkness be!

No one is able to serve two masters. For either he will have hatred for the one, and love the other, or he will persevere with the one, and despise the other. You cannot serve God and wealth.

And so I say to you, do not be anxious about your life, as to what you will eat, nor about your body, as to what you will wear. Is not life more than food, and the body more than clothing?

Consider the birds of the air, how they neither sow, nor reap, nor gather into barns, and yet your heavenly Father feeds them. Are you not of much greater value than they are?

And which of you, by thinking, is able to add one cubit to his stature?

And as for clothing, why are you anxious? Consider the lilies of the field, how they grow; they neither work nor weave.

But I say to you, that not even Solomon [G W 'King Belshazzar, Bel, Antipas Herod the adulterous son of Perdition called the Devil' Bush], in all his glory, was arrayed like one of these.

So if God so clothes the grass of the field, which is here today, and cast into the oven tomorrow, how much more will he care for you, O little in faith?

Therefore, do not choose to be anxious, saying: 'What shall we eat, and what shall we drink, and with what shall we be clothed?'

For the Gentiles [sons of men] seek all these things. Yet your Father knows that you need all these things.

Therefore, seek first the kingdom of God and his justice, and all these things shall be added to you as well.

Therefore, do not be anxious about tomorrow; for the future day will be anxious for itself. Sufficient for the day is its evil." - Lord Jesus in Matthew 6:22-34

Re: The Aliens have asked us to build an ERP, An Enterprise Resource Planner. This is Christ's work.

You sort of misunderstood the information in the message.

But I see you're relevant to my future potentially through them.

Basically they told me you'd be good at that.

I'm already working on this, I'm an actual federation member who's just actually human but is like, this smart and high quality that I'm actually in the galactic federation, I'm an actual extraterrestrial armies soldier, I do operations here for them, I also came from their species, I come from space in my past lives and I was technologically advanced and remember a lot of the technology.

I reverse engineered a bunch of their technology and that's what actually got their attention.

All of this you heard of already exists, this is actually just shit that I've already finished working on actually.

I already did this.

The problem isn't the advancing technologies it's the corrupt governments.

Nay not wise at all otherwise OP would had known it own spirit name, let's alone perishing with the work of the Devil sinking in a vessel among the living dead full of iniquity of sinful greed foolishness folly.

Neither with the Christ.

Do not respond to the foolish according to his folly, lest you become like him.

Respond to the foolish according to his folly, lest he imagine himself to be wise.

Whoever sends words by a foolish messenger has lame feet and drinks iniquity.

In the manner of a lame man who has beautiful legs to no purpose, so also is a parable unfit for the mouth of the foolish.

Just like one who casts a stone into the pile of Mercury, so also is he who gives honor to the foolish.

In the manner of a thorn, if it were to spring up from the hand of a drunkard, so also is a parable in the mouth of the foolish. - Proverbs 26:1-9

That's is all.

The Canticle song for praise, David. Come, let us sing to [Enoch] the Lord; Let us joyfully sing to God our savior;

Let us anticipate his presence with confession, and let us sing joyfully to him with psalms.

For The Lord [Jesus] is a great God and a great King over all gods.

For in his hand are all the limits of the earth, and the heights of mountains are his.

For the sea is his, and he made it, and his hands formed the dry land.

Come, let us adore and fall prostrate, and let us weep before [Enoch] the Lord who made us.

For he is [Enoch] the Lord our God, and we are the people of his pasture and the sheep of his hand.

If today you hear his voice, harden not your hearts:

as in provocation, according to the day of temptation in the wilderness where your fathers tempted me; they tested me, thought they had seen my works.

For forty years I was offended by that generation, and I said: These have always strayed in heart [spirit].

And these have not known my ways. So I swore in my wrath: They will not enter into my rest. - Psalm 94
