Everything is craziness honey because of the holiday. I'm like Mila Kunis in that bad

moms christmas scene where they are at the mall 🤪 But it's fine other than the stress.
Happy Holidays and stay safe.

Statue of liberty

Quoting: **Anonymous Coward 79547642**

C2 Q44

The eagle driven back around the tents will be chased by other birds around him. When the sound of cymbals, trumpets and bells will restore sense to the senseless woman.

B: He says this refers to some of the defeats the United States will suffer while fighting against the Anti-Christ. He says it also refers to the deterioration of the political situation inside the United States, before and during the time of troubles. But after the time of troubles are over, people are celebrating their victory and their freedom. This celebration will reawaken in the United States the concept that is embodied by the Statue of Liberty. The concept of liberty and rights and such which have been dead because of the situation of war and the Anti-Christ. They will come back alive; people will have their rights again and things will be better than they were before.

Far less than 50% Conversations With Nostradamus Vol 1

And one of the seven Angels, those who hold the seven bowls, approached and spoke with me, saying: "Come, I will show you the condemnation of the great harlot [Statue Of Liberty], who sits upon many waters.

With her, the kings of the earth have fornicated. And those who inhabit the earth have been inebriated by the wine of her prostitution."

And he carried me away in spirit to the desert. And I saw a woman [Hillary 'Jezebel, Herodia & Rahab' Clinton] sitting upon a scarlet beast [Bill 'King Philip Herod & Marc Antony the full blown scarlet Beast' Clinton], filled with names of blasphemy [Vatican], having seven heads [seven fraternity Cabal include CIA, FBI, Pentagon, Supreme Court, et cetera] and ten horns [EU] .

And the woman [Queen 'Amezarak, Belial & Nefertiti the Old Serpent' Elizabeth II] was clothed all around with purple and scarlet, and adorned with gold and precious stones and pearls, holding a golden cup in her hand, filled with the abomination and with the filth of her fornication.

And a name was written upon her forehead: Mystery, Babylon the great, the mother of the fornication's and the abominations of the earth.

And I saw that the woman [Hillary 'Queen Jezebel, Herodias & Rahab the Harlot and Whore of Babylon' Clinton] was inebriated from the blood of the saints and from the blood of the martyrs of Jesus. And I was amazed, when I had seen her, with a great wonder.

And the Angel said to me: "Why do you wonder? I will tell you the mystery of the woman, and of the beast that carries her, which has seven heads and ten horns.

The beast that you saw [Obama], was, [Tutankhamun lookalike and eugenics with Osama Bin Laden] and is not [the President], and is soon to ascend from the [secrets military labs] abyss. And he goes forth unto destruction. And the inhabitants upon the earth (those whose names have not been written in the Book of Life from the foundation of the world [Mankind a.k.a soulless beasts of the earth]) shall be amazed upon seeing the beast who was and is not.

And this is for one who understands, who has wisdom: the seven heads are seven mountains [Washington DC], upon which the woman sits [White House and Capitol Hill], and they are seven kings.

Five have fallen [since JFK assassination, Johnson, Nixon, Ford, Reagan], one is [G H.W 'King Akhenaten, Nebuchadnezzar, Herod & Uziah a.k.a Azazel the Angel of Perdition' Bush now fallen] and the other has not yet arrived [D J 'King Cyrus, Rehoboam, Henry VIII & Ahaz a.k.a Hananiah the false prophet' Trump]. And when he arrives, he must remain for a brief time.

And the beast who was [Obama], and is not [the President, but Hillary 'Queen Jezebel, Herodia & Rahab the Harlot and Whore of Babylon' Clinton with Joe 'King Joash, Jehoboam & Azaz a.k.a Semyaza the leader of 200 Angels of Perdition' Biden was really Madam and Sir Presidents], the same is also the eighth [G W "King Belshazzar, Bel, Antipas Herod the adulterous son of Perdition called the Devil' Bush is eighth], and he is of the seven [Bill 'full blown scarlet Beast' Clinton is seventh], and he goes forth unto destruction.

And the ten horns that you saw are ten kings [EU]; these have not yet received a kingdom, but they shall receive authority, as if they were kings, for one hour [100 years since end of WWI from the year Prince 'King Ramses & Cain the scarlet Beast' Philip reborn again sons of men], after the beast.

These hold to one plan, and they shall hand over their power and authority to the beast.

These shall fight against the Lamb, and the Lamb shall conquer them. For he is the Lord of lords and the King of kings. And those who are with him are called, and chosen, and faithful."

And he said to me: "The waters that you saw, where the harlot sits [Statue Of Liberty], are peoples and nations and languages.

And the ten horns [EU] that you saw on the beast, these shall hate the woman who fornicates [Hillary 'Queen Jezebel, Herodias & Rahab the Harlot and Whore of Babylon' Clinton], and they shall make her desolate and naked, and they shall chew her flesh, and they shall burn her completely with fire.

For God has granted to their hearts [spirits] that they may do to her whatever is pleasing, so that they may give their kingdom to the beast, until the words of God may be completed.

And the woman that you saw is the great [New York] City, which holds a kingdom above that of the kings of the earth." - Revelation 17:1-18

no, you tard, j stole stories from older religions and used them to create a fake messiah based on Odin, so they would kinda accept the christian presence.

even the so-called garden of eden is based on Asgard.

the candle waving out stuff at your 'shul' based on a celtic Goddess Bridget, iirc she's the one.

j still make blood sacrifices, including of humans. nasty just abominable and GODLESS. a good person would LEAVE IT.
