The Golden Age was a 'timeless' age. No time, no death. When 'time' was introduced into this world with Cronus/Saturn, it introduced 'death'.

With time, matter will eventually decay into hydrogen: 1 proton, 1 neutron, 1 electron, with oxygen. Forming water.

Sound familiar?

"the earth was a formless void and darkness covered the face of the deep, while a wind from God swept over the face of the waters."

It's also why higher ranking Aeonic spirits, such as Metatron/Baphomet/Fall Widsom, wants the 'waters of chaos'; as exemplified in Genesis. It's the building blocks to craft this world.

But... like the Torah says, it became corrupt with death. In order to restore this world to its once former glory, you'll have to remove time/Saturn/Cronus.

Not only was it prophesied that Saturn's child overthrow him (Zeus/Jupiter), like Saturn did with his Father before him, he took it upon himself to 'eat meat/flesh' of his own kind. It's why Saturn worshippers eat meat, sacrifice flesh, unto Saturn.

It was until Zeus banished Saturn and began to feed him 'ambrosia'. What was ambrosia? Who knows but, "It was brought to the gods in Olympus by doves." What also gives eternal life and is signified by 'the dove'.

The Holy Spirit....

Hmmmm....

Culture vultures strike again.

Battle of Anu and this other challenger for the ANUNAKI throne .

Challenger loses. While seated bites off Anus manhood. Anu would later have 80 children. Some being Enlil and Enki etc.

Black Knight Satellite is gift from Anu to Id here.

Challenger died on battle spot.
 That line on Mars was the kill shot.

Goku styled Kamehameha burst.
 From Anu.

I can burst as well i found by accident.

Face on Mars is the burial site.

Anus moved onward.

Anu like Freeza, can destroy a planet with his finger. This is why 19 GALAXIES bow in submission.

Each new planet is valued in terms of extractable minerals.
 Gold and iodine are abundant.

Planet Mercury is more valuable. There is a cloaked planetoid for thousands of years. Extracting.

Mankind started masturbating = eating its own children.

This overthrew the entire universe into chaos, Saturn turned became chronos.

Restore Saturn by changing mankind's behavior.

Re: Why Did Saturn Fall from King over a Golden Age, to Old Father Time Eating His Own Children?

It was an astronomical event:

"Saturn eating his children, and being put into chains" = Saturn capturing moons (children) which broke up forming the rings (chains).

Saturn used to be much closer to Earth, and more prominent before this event, and thus lost power ("castrated" in the myth).

Time to understand the outside universe is a reflection of the inner collective machinations of mankind.

We mess up an aspect in ourselves - It manifests outside.

Here are the keys to unlock classical mythology. Uranus/Caelus was Adam, Cronos/Saturn was Cain, Zeus/Jupiter was Lamech, Apollo/Helios was Jubal, Hermes/Mercury was Jabal, Hephaestus/Vulcan was Tubalcaïn, Athena/Minerva was Naamah. The Golden Age was the antedeluvian world. Naamah was the wife of Noah's son Ham.
