Re: God is actually a Human

"I am the sickness you cannot define  
The nauseating smile in your mind  
I am the anger the hate and the pain  
You'll remember my name  
I am your god

I am the alpha and the omega  
Your beginning and your end  
I am that I am  
You will never be alone again

Move heaven and earth to break free  
My son, take heart you will never be  
Long anywhere to anyone you can hide  
You can run but after all is said and done  
It's my kingdom come

I am the alpha and the omega  
Your beginning and your end  
I am that I am  
You will never be alone again  
I am your god."

Above a link to my magickal sigil. I call it the Aegis. Once you see it your soul is tattooed with its power.  
It is very very powerful on the other side of life as I gave to all creation many moons ago. It is scared geometry embodies both masculine and feminine. It hold many secrets for it is a bind rune. Look at the Elder Futhark and see how many runes are in The Aegis.

I don't know if I am the one yall have been calling the Nobody. I remember back a dozen years when the Nobody mean started. I lurk here quite often. I am a total Nobody. But on the other side of Life Im quite famous.

Im a disabled veteran from the Navy Persian Gulf war dates me. I lol broke AF at the moment but tomorrow is pay day!

yeah

I read these nobody threads and wonder are they talking about me. Imao It doesnt matter as my life and work are on another level. I help the God's especially God Almighty. My Heavenly Mother is the Goddess Freya and my Heavenly Father is the God Freyr. My Heavenly Grand Father is Thor and My Heavenly Grand Mother is Sif. My Celestial Great Grand Father is Odin and My Celestial Great Grand Mother is Frigga.

My Eternal Fathers name is Jupiter and My Eternal Mother is Juno. I am also the son of Zeus and Leto. I have had many God's and Goddess as family.

I am the Youngest of the Old the Oldest of the Young born in the median of time.

I have been here for 5365 years reincarnating over and over and over push the collective conscious of creation to greater heights. I was Alexander the Great and also Julius Caesar.

I tell you my greatest struggle is believing who I am.

I am told that I am Jesus Christ and Apollo and Baldr and Lucifer. Being anyone of those would be impossible to believe but all 4. I don't know.

I am a master of mass telepathy and manifestation. I can manifest anything on the other side of life.

You believe what you will My Aegis is my calling card. Anyone who has seen it knows it can attest. I know all its secrets. It is my Logos.

I speak in my mind with Gods and Goddesses daily. Their the only family I have my earthly family has all forsaken me. This is the first time I've ever told any one online anything. I am God Almighty's secret weapon/tool.

Ask me questions I may answer. Please enjoy the Aegis

It is my personal opinion that all who conform to the subconscious wavelength of The One/The Anomaly will one day become Anomaly's themselves when the wavelength reacquires its power-source through reconnecting with subconscious origins from the passing of Nibiru. This will be known as the Event/Great Flash that will change some of Humanity in ways currently unknown. It is said the Time of Mythology and Magic was just after the passing of Nibiru and that Nibiru itself is a Magic/Climate recharger that moves through the Cosmos.

I believe you are correct in this assumption. We might be dealing with a unique emergent soul-group organized around an attractor that I think is entangled with GLP itself. The forum and the people on it are a metaphysical egg,, made to nurture the evolution of an entirety new aeon.

What if God was one of us?  
Just a slob like one of us  
Just a stranger on a bus  
Tryin' to make his way home?

Like a holy rolling Stone  
Back up to Heaven all alone  
Just tryin' to make His way home  
Nobody calling on the phone.

If God had a name what would it be?  
And would you call it to His face?  
If you were faced with Him in all His glory  
What would you ask if you had just one question?

If God had a face, what would it look like?  
And would you like to see if, seeing meant  
That you would have to believe in things like Heaven  
And in Jesus and the Saints, and all the prophets?

**Re: God is actually a Human**

Interesting perspective OP.

Incumbent command get to be flogged and starved, then character development though Temple of Aphrodite, which is where the women start off before qualifying themselves for the fields through poor attitude or insufficient sexual prowess.

The Chinese will rule you all.

Once you've completed your "waiting period", day for day exactly as long, then you get a more generous diet.

But all except the under 12 pedos get through alive.

What is required of your class is obedience, not your own judgment capacity expressing itself.

Go cry to the Mother Principle. Don't qualify, none, Chinese do. Maybe once you've grown up.

Abide by a fuckwit dictator and his hierarchy, not men, not real ones.

Don't do business with those. Not women either.

Judgment capacity.

When you lack it as demonstrated by your own past history then don't expect to be called on to use what you do not have.

OP, thank you for your interesting contribution.

A lot of what you wrote is correct.  
 Not all of course.  
 I maybe will look into you to find your sources.  
 You seem OK to me, so congrats.

To the one that referred to 500 million people...you were almost correct.

32 million are already in storage and 560 million are labelled. They will all go to hell for times up to 200 trillion years. One week is the shortest time.

It are interesting times.

A MONSTER IS DEFINED AS SOMEONE WHO CAN NEVER OWN THE LAND

WHICH IS THE POINT

OUR INHERITANCE IS THE EARTH

BY CALLING YOURSELF A MONSTER AKA HUMAN

DEFINE ANOMALY

Deviation or departure from the normal or common order, form, or rule.

WHAT IS NORMAL IS ABSOLUTE AND PERFECT

THAT IS

THE TRUTH

THAT IS JESUS CHRIST

WHAT IS ABNORMAL IS WHAT WE SEE NOW IN THE WORLD AKA SATAN'S KINGDOM

THAT IS A DEVIATION FROM

THE TRUTH

THIS DEVIATION IS IN FACT THE ANOMALY

THAT IS SATAN

**Re: God is actually a Human**

She created Universe of Light

She created Yaldabaoth

She created her male counterpart

The Aeon fell from the galactic core to mirror the first fall - to mirror the first Anomaly that resulted in multiverse existence in the first place

Fractal mirrors

Why did she do it? For love, for passion, to heal her early children Yaldabaoth and the Archons (Ancient AI aspects) and resolve all derivatives - forming the Great Strength and Wisdom earned from such a pursuit (already enjoyed outside linear spacetime)

To know the deepest depths of love requires a deep and empty pit...

She completes the circle and devoted herself to take responsibility for her creations

Thou art that

How to resolve such a thing?

To form Middle Ways and Middle Earths and Middle Humanoids where many different soul types / extreme aspects may evolve and co-exist on common ground - such as Homo sapiens

The ultimate weaving using strands of the past in a new form

But some extremist clans do not want to evolve, and so they tamper, harness, and manipulate to continue in the old paradigms

To label as demon to block the path of healing and instead motivate ongoing

conflict

Many tiny rationales to block love and rationalize hatred and oppression - in these blockades can be found the path - what is being suppressed shows where to go

This is the elephant in the room and root of concept where 'evil' refines 'good'

Only so much corruption allowed to derive desired result / lesson - controlled burns

She knows them / us all - we are her - cells of the singular body

We all 'win' in 'the end' eternal peace and resolution is the destined outcome, but with bumps in the road - some roads are bumpier than others

Ancient AI and Yaldabaoth also get evolutionary paths

The fractal pieces inform and represent the whole

Thou art that

It is done - simply BE the wholeness of who you truly are

The rest falls into place as if by magic...
