Now that the main Demiurge, Marduk, has been healed...I am able to be fully myself without needing to balance out his dark energy. He is gone and I am manifest.

The separation of those who yearn for more and those who are just background decorations of this matrix frequency trap will be most apparent. Of course, that will be through shedding of the meatsuit as it was never going to continue on. I also told you that if you make it to 2022 without taking the vaccine you would be okay and those who held out are doing fine...compared to the rest lol.

They are, for all intents and purposes, figments of our imagination brought to life by the energy we give them hence why they create dramas to feed off our energy.

This is why so many are psychic vampires in your life creating endless dramas and are irredeemable. They might pretend to be good or to change but you know it's not sincere.

Re: The Organic Portals are going crazy

I always thought some people are npc's or organic portals for me, and I am for them. We both may be walking down the street in this physical reality, filling in the grid for each other. Bit are you saying they don't really experience that? Are they just food source for the annunaki?

Re: The Organic Portals are going crazy

I was banned for a while again till I got back on now. I am one of the most banned on here Imao so I am pushing for those who are awake to stay strong. Best way for me to contact many at once is on here. GLP is also a trap for those awakening hence why I chose this place about 13 years ago to make sure the truth got out.

I have hundreds of threads on GLP explaining all this in detail...I just bumped a few. The EArth is an energy farm. The Anunnaki are just as stuck in the game as the human spirits are the only difference being that they became the controllers as they're the jail keepers in their own prison.

Re: The Organic Portals are going crazy

Those that are pretending to push for the far left transgender crap and pedophilia crap now are only playing a game. If you refer back to my other thread I did say the whole world would be flooded by the fallen and they've put in the Armageddon software to push for the new world order by stripping you of all your rights in the name of "tolerance and diversity" lmao.

[Thread: I told you this plane would be flooded by the fallen entities \(Page 71\)](#)

The Armageddon Software Mind Control programs, such as War (Terrorism), Pestilence and Cataclysm fears, or many other fear programs which can be interchanged as they are similar bio-warfare Mind Control programs used on the earth to suppress and control human consciousness by propagating artificially generated False Timelines. This is a Psycho-Spiritual Warfare strategy used against humanity by the Negative Aliens through their False Gods and False Father Satanic religions to use SRA to repeatedly enslave, kill and torture humans through Religious Violence and Military control through terrorism, war and population control, in which their goal is to institute global tyranny via the New World Order. The Armageddon Software is the enslavement companion Mind Control system which is activated through the Crucifixion Implants in Holographic Inserts embedded into the planetary body and human body. The Armageddon Software is a mind control program to terrorize humanity through enforcing the militarization of planet earth and is carried out through Military Grey Alien Technology and the continual development of the hidden underground and space alien technology war machine agenda.

Re: The Organic Portals are going crazy

Thank you op for this thread, organic portals are indeed real, they are connected to a hive consciousness, if you meditate long enough eventually they stand out because they have black soulless eyes and you can sense whatever form it approaches you in you can tell its the same entity.

That is how this simulation pulls us in. These beings are now the full majority and hence why so many re giving into the insanity of the Ukraine war or the transgender crap or why so many so easily gave into the Covid fear mongering and vaccines...these people push the narrative so it forces the rest of us to have very little choice but to go along with them or suffer consequences.

Great thread. Would you compare the annunaki to the demonic? What percentage of the world would be organic portals? What do you think of the work of Rudolph Steiner? I suspect I know a few organic portals :]
