Which one?

Most of those threads get nuked after one in particular starts to post on them. 5 mins later it is usually gone.

That is the one they are trying to suppress here. Everyone knows his posting style no matter where it says he is posting from.

The Elohim/Anunnaki are scared of the Champion of the Titans.

He didn't participate in their previous war, the only reason they won.

But now once he begins, the Elohim/Anunnaki have nothing that can stop him.

It was the champion of Light that imprisoned Yaldabaoth/Brahma within Saturn.

It was him that single handily destroyed the Draco homeworld.

A little 12,000 years ago, he single handily ended the Ragnarok War, then went into hiding.

Now he's back.

I can't get high anymore cause if I eat to many edibles I feel like someone's watching me through my walls. It's not very fun

Having 5 pages and 3000 views still doesn't make a train wreck a good idea.
