Re: There's an active pedophile on the site

I've been here since 2009, and I never reported anyone.

But I just did.

Pederast.

He is talking about a 15 year old girl.

In most US states he would prob not even be arrested.

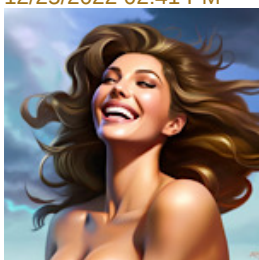

Have you listened to old "classic" songs and heard how many talk about young girls?

Bowie was reported to have a 13 year old boyfriend.

It could just be someone trolling, or a FED.

But I don't think so.

We don't need that shit here.

Ok NAMBLA member, keep splicing hairs and arguing semantics.

He mentioned 4 year olds and said age doesn't matter.

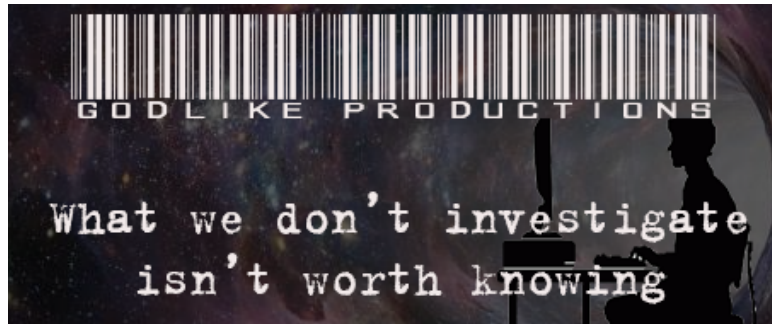

So try another excuse to defend your own kind.
