But can they understand what to do with the information?

**Resolutions where everyone gets what they want are still available.  
It is not too late.**

Quoting: **Anonymous Coward 79633373**

There is no resolution that will make them happy. They really believe they OWN us.

Quoting: **Anonymous Coward 80209287**

They do, you allow it.

No one has power over you that you did not give them.

They keep doing it because the people who claim to be good won't lift a finger against them. Thus you are ruled because you won't stop them yourself.

Why demand someone else does your dirty work for you that you wouldn't do yourself?

Nature and Earth backs the Winner and doesn't care how it won, just that it did. They deserve to rule those who won't lift a finger to stop them.

If you don't like it stop them *or leave this reality.*

No one else is going to do it for you when they think you don't deserve it. Nature takes the weak and rewards the strong.

You don't get strong by going along with things, resistance makes you strong.

They are trying to teach you to be strong.

Quoting: **Anonymous Coward 79633373**

True, but also becomes an abusive hostage situation using guilt and leveraging self shame  
Earth has her own outcome and she will achieve it with whoever goes with her on her way

No fight - growth and transcend through generations - together slowly but surely

Not an endless whipping post you get blamed for - that is old paradigm trying to offload karma through mind games

Get angry, but BE GENTLE.

Quoting: **EternalK**

That's the key. Keep it humorous. Tone it down. Less is more. Don't be adversarial, irritating or bombastic. Don't take things out on innocent non-combatants. Keep it gently gently amusing, like a Johnny Depp character. DON'T SPEAK LOUD.

OTOH, do they deserve just a spoonful of their own medicine from time to time? I guess its better to add sugar in future... but ...

I had pretty bad heat stroke yesterday. Gonna dip my head in water a lot this summer.
