Your Soul Is Owned By The Vatican

Interesting presentation. I'm sure it has been posted here already though it doesn't s how up in search results. Curious what other peoples thoughts on this are.

Re: Your Soul Is Owned By The Vatican

Back around the time of the Popes last visit or about 2016 or so, the Pope stated that the First name or the Christian Name belongs to God but the Last Name or Sur name belongs to the Church (Vatican)
To the best of my knowledge, the Sur name was imposed on the people by Rome about the time of the alleged birth of Jesus.
The Scriptures states that All the world was to be Taxed.
The "World" was the Legal World of Fiction.
The word Tax means Registered.
To more easily identify Romes subjects, each Person was fictionalized and given a second name or Family name and Registered and put on paper to be filed.
The "Mark of the Beast" had to be known to the People of the 1st Century.
The Beast turns out to be is the Roman System of Law we all are under.
The Scripture states to come out of Her My people.
It means to come out of the Legal system and return to the Law of Natures God.
When you chose your Law, you choose your God.
Either your God is the Government and ALL that is Legal or your God is Jehovah or Natures God.
You CAN NOT serve both Gods.

Better them than the World Banksters.

Ro:13:3-10:

For rulers are not a terror to good works,
but to the evil.

Wilt thou then not be afraid of the power?

do that which is good,

and thou shalt have praise of the same:

For he is the minister of God to thee for good.

But if thou do that which is evil,

be afraid;

for he beareth not the sword in vain:

for he is the minister of God,

a revenger to execute wrath upon him that doeth evil.

Wherefore ye must needs be subject,

not only for wrath,

but also for conscience sake.

For for this cause pay ye tribute also:

for they are God's ministers,

attending continually upon this very thing.

Render therefore to all their dues:

tribute to whom tribute is due;

custom to whom custom;

fear to whom fear;

honour to whom honour.

Owe no man any thing,

but to love one another:

for he that loveth another hath fulfilled the law.

For this,

Thou shalt not commit adultery,

Thou shalt not kill,

Thou shalt not steal,

Thou shalt not bear false witness,

Thou shalt not covet;

and if there be any other commandment,

it is briefly comprehended in this saying,

namely,

Thou shalt love thy neighbour as thyself.

Love worketh no ill to his neighbour:

therefore love is the fulfilling of the law.

You can legally reclaim your soul back. If the Vatican doesn't file a response to you then you win by default. In other words you may keep what is rightfully yours.

Re: Your Soul Is Owned By The Vatican

What are your thoughts Opie?

Quoting: **Anonymous Coward 80397769**

I enjoyed the presentation and found it of good educational value. I believe one must foremost reclaim their Soul within themselves. One must claim full ownership/responsibility over oneself. Release any/all belief in external authority. If you've voted in your life, repent, and never do it again. The phenomenon of giving one's power to a source outside of oneself is satanic. God's kingdom is within, and it is what ought be sought first. As a previous poster said, you can only serve one master. If you're serving the legal system / money / government, you're lost at sea, your riches are being plundered, you're dead in the water, etc. If you serve the Almighty, you're well on your way to restoring your birthright, which is love/truth/knowledge/freedom.

When one votes, one gives one's power to the political sphere which then gives its power to the

military sphere which then gives it power to the intelligence sphere which then gives its power to the dark sorcerer sphere which then gives its power to the demonic sphere which then gives its power to the AI/satanic sphere... Or something like that.

It's all a game of responsibility. Ultimately, even though it's purely satanic, it's a beautiful thing as it leads to full self-responsibility. At a point, one realizes the nature of the game they've been playing and that they want nothing more than to be entirely free from it.

So many words simply to say balance/activation in will/care/heart/love/truth/wisdom/known/peace/union is the answer for us all in order to move to the rungs above this one. :-)
