Are Shepperton Studios part of the Truman Show production team?

Must be. A 20 minute bike ride from my house growing up as a kid.

Is contacting them part of the process, or have they been told to keep a wall of silence, like everyone else?

My parents sent me a book called Secret Shepperton, England's Hollywood.

Seems like a pretty fat clue.

The plot thickens...

It's your cerebral fluid thickening, not the plot.

It gets worse

So its hold frame, gaslight, guilt-trip, and wall of silence, huh?

OK.

Two can play at that game.

Were the early twenties parental abuse sessions run from Shepperton Studios?

I bet that didn't make the AMC Christmas clipshow.

Good work production team, real proud of you for that.

PS, you're acting like I never discovered the tacit consent/perjury mechanism.

I know that's your weak spot.
