How to spot a mark primed for mind control

Some people are easier to brainwash than others. There is an easy way to tell a gullible person: they have an upward-turned nose. If you look at them head-on you can see their nostrils. These people are far more likely to be brainwashed by the system, and far more likely to lose their minds when reprocessing the world once they begin to sense the reality of this social dynamic.

Examples:
James Holmes
Adam Lanza
Dylann Roof
Vester Lee Flanagan
Paul Joseph Watson
Most GLPers

The criminals on that list all seemed like good guys with serious mental issues. They were. They really were programmed. Deliberately. Intentionally. The schools, the media, the schoolyard bully, the mean girls, the nice girls, your mom, and the churches are all in on it. All of them.

The world is a big conspiracy. Long-nosed Jews, long-nosed Masons, and long-nosed Romans/Jesuits (read: Irish) are deliberately evil. They orchestrate a big lie to trick good, gullible people into believing "we are all in this together" and then use the good people's (whom they call "mindless golems") goodwill as an excuse to take advantage of them. They use the love of good men as a tool of enslavement.

That is the current world order. Aren't you ready for a new world order? One based on goodness and truth instead of evil and lies? It is within our grasp. First, you need to open your eyes. The rest will happen naturally.

Below is a great interview by Tyra Banks with a medical expert who specializes in face reading. She clearly states that those with upturned noses are worse with money than those with downturned noses.

This entire world is one big scam run by evil, long-nosed devils to gain an economic mating advantage. My old Jewish coworker David Weinberg (a director at Equity Commonwealth REIT) used to refer to it as "beating up the retards." Integration was a bad idea. Amerca never should have let in the Jews or Irish.

It is time for a new world order.

That's somewhat revolutionary. That's straight from Dr. Seuss.

Are you best buds with the antichrist? The New World Order is all about bringing him into power. Oh yea, sure...he's nice and peaceful at first, but then he starts putting tatoos on their forehead, and chopping off those who don't want to buy his goods.

Unfortunately a shitload of people use facebook and I am forced to interact with many of them in order to exist.

It really has me puzzled as to what the point of all this could possibly be.

I do have glimmers of understanding from time to time though.

Jesus was the antichrist. He said "love is the law" but he was blind to genetic evil, and unaware that long-nosed people are evil liars who are incapable of love. Jesus believed everyone had the capacity to love like he did. He was wrong.

Martin Luther King and his evil "dream" were the most recent incarnation of the antichrist. He and Jesus both wrongly placed their own emotional will against the natural, scientific law of God. Now, instead of being run by God's law, the world is governed by one big lie.

I'm not the antichrist. I am the messiah.
