ATTN: Any paid Subscribers or Supporters of the Anomaly Live Stream

I am giving away a free A2 poster size print of some artwork to subbies of the Nobodnomaly Live Stream.

Just as a way of saying thanks for supporting the meme over the years, whether you shit post or support or straight up deny you all do your part in making it what it is.

I will post worldwide the signed print with a hand written note saying thank you for the support.

Just send an email with your postal details (fake name and friends address is fine as long as you can receive the package) and i will post within the coming days.

Anomaly tards will always still be at it while Trinity makes 3.50 per click bait post making money off his back while he eats Bug Macs instead of steak.

Picture of the print here....
